Wednesday, October 17, 2018

Current Mission: A collaboration of damage prevention, prevention stakeholders Partnering to reduce damages through data analysis and educational outreach.

Meeting called to order by Chairman Sam Gonzalez at 11:20 am.

- Introductions were made
- Sam brought up different reports; Louis offered the options and talked about the 3hr and code 70 reports. Louis recommended privately sharing with the facility owners details about their Sub-Contractors, if they were in the reports.
- Sam asked Louis if the reports could be sent to the committee members on a monthly basis, Louis stated that it should be possible and will try to condense them to one spreadsheet with tabs for each report.
- It was brought up about what the return address would be for the letters that the committee sent out to violators. It was agreed to have them sent to NC 811, C/O NCLRPC.
- Chase Gibson with the City of Kings Mtn. identified a company that has been updating tickets that were called in back in January of this year.
- There was no further business and the meeting was adjourned at 12:30.
