

NC Locate Resolution Partnership Committee

Minutes

Wednesday, August 15, 2018

Current Mission: Partnering to promote safe excavation, damage prevention and education by making marking request procedures more effective.

Mission for consideration: *An alliance of damage prevention stakeholders partnering to reduce damages through data collection and targeted education efforts.*

Agenda Items:

- Chair & Co-Chair
 - *Recommendation was made by Roger Richards for Sam Gonzalez to serve as Chair and Don Griesedieck as Co-Chair of the NCLRPC. Louis Panzer made A 2nd with all others are in favor. Roger Richards agreed to serve as Secretary with all in favor*
- NCLRPC Logo
 - *The logo was discussed and approved.*
- Do we have the right Stakeholders?
 - *Group discussed several stakeholders that need to be a part of the conversation. NCDOT & AT&T. NC811 will reach out & invite them to the next meeting.*
- How do we want to communicate with this group
 - Currently on the NCUCC website
 - ✦ *A new area on the home page of the NCUCC website will be created to support the group on the NCUCC website.*
 - Report an LRPC issue
 - ✦ *Currently the UCC's will be the conduit to channel issues back into the NCLRPC to address.*
- Types of issues NCLRPC will address
 - *There was discussion among the attendees to clearly define broad scope issues based on data that support the issue. From there, a strategy would be determined that would include a Targeted Team Tailgate. A "TTT" would be a message targeted at a*

specific issue that several members from the NCLRP would reach out to the offender and offer a presentation or assistance with the issue. This may include a PowerPoint presentation relating to the issue put together by the NC811 team. After educating, the offense shall be monitored for behavior change. This would hopefully relieve the need for sending a letter of cooperation. A logo concept for the 3 "T" meeting will be presented at the next NCLRPC meeting.

- *Discussion was made to create 5 standard reports that the NCLRPC could use to address broad issues. Louis Panzer & Ann Rushing will provide a recommendation on the top 5 reports at the next meeting in October.*

- **NCLRPC Contact Letters**

- *Since we are addressing broad scope issues and providing Targeted Team Tailgates, Louis Panzer will rework the contact letters to make it an offer of education.*

- **White Lining Video** - *Everyone was encouraged to share and use these videos at their discretion for safety training or tailgate meetings.*

- Long version Video 6:08

- Long version Video – Spanish subtitles 6:08

- Short version Video- 4:38

- NC811 Website – Education Page <https://www.nc811.org/white-lining.html>

- CC Campaign about Spanish subtitle – HCAC

- **Open Discussion**

- *NC811 will create a short intro video to introduce the forming of the NCLRPC & their mission along with the vision moving forward.*

- *The Chair or Co-Chair will provide an update of the prior NCLRPC meeting to the NC State UCC that follows on the off month. Ann Rushing will coordinate with Chase Gibson- NCUCC Chair to add update to their agenda.*

- **Next Meeting date: Wednesday, October 17, 2018 11 am-1:00 pm**

- **NC811, 5009 High Point Rd., Greensboro, NC**
