Brian Morehouse, Western Region Education Liaison, gave the March 2019 Presentation.

Gave the overall stats for this area for the Month of February 2019 compared to the Month of February 2018, gave the YTD totals. A short video was shown to the group in regards to calling 811 Before You Dig!! The video showed an incident that involved a gas company and what can happen when someone doesn't Call 811 Before You Dig!!!

Brian Morehouse told the group that there are openings throughout the year if anyone is interested in having 811 come in and speak to their organization about 811, when, why and how to contact 811. Also, went over the new 811 app, encourage all to download the app. Went over with the group on how to navigate the app and showing them get to the Damage Prevention portion of the app.

Large Project under way at this time or in the near future- None at this time.

The group talked about taking these meetings to quarterly, the committee voted on this and decided with a 2-0 vote to meet on meeting in May, July, September, November, January, March. We will try and build this UCC up over 2019 and vote to go back to normal schedule.
