Your Marks Matter

Accurate locate marks can prevent service disruptions, fines, personal harm and other unintended damages.

Locator Safety Awareness Week April 22 – April 28

Established in 2014 by Infrastructure Resources and endorsed by Nulca, LSAW addresses the need to keep our locators safe on the job. Take the opportunity during this week to acknowledge the locators you work with and let them know how much you appreciate the difficult, challenging, and sometimes dangerous work they do protecting our underground utilities.

#LSAW

ingles

- Over 3 Million circular inserts weekly in NC, SC & GA that will run weekly beginning in April - August

Blue Ridge UCC
April 2018

Meeting opened by Chair, Richard Lawrence, 10:02 am.

Level one safety given by Chair, Richard Lawrence.

Heath Consultants-Ticket volume is highest in the Hickory area. Things are going well. Emergency ticket called in by a crew who advised they would not be on site until the next day or two days from entry.

NCDOT-Lots of small jobs in Alexander County. Pipe replacement. The sign department drove a sign through a fiber line. Cost DOT about \$5k. Hopefully this got the attention of the people installing signs. Cross pipe replacement.

City of Hickory-no large projects. CJ may be involved in some of the locates.

Duke Energy-Mast arms downtown. Lots of locates, but no work.

PNG-leak repairs. Completion of D line is almost here. Rest of work to be done on D line will be in Caldwell County.

4" line bored thru in Spruce Pines-contractor was boring and the machine turned into the pipe.

NC811 presentation given by Tami Stout.

Meeting ended 11:00. Next meeting at PNG, May 16th.
