Destroyed Marks & 3 Hour Tickets

When to properly use each

A series of several parallel white lines of varying lengths, slanted diagonally from the bottom-left towards the top-right, located in the lower right quadrant of the slide.

DESTROYED MARKS

If locate marks have been destroyed, the excavator must contact NC811 to issue a Destroyed Marks ticket requesting a remark of the area from the original ticket.

A Destroyed Marks ticket does not extend the life of ticket; it will expire the same day as the original locate request. A 3 Hour Ticket should not be used in case of destroyed marks.

3 HOUR TICKET

If an operator fails to respond to the positive response system, the excavator may proceed if there are no visible indications of a facility at the proposed excavation or demolition area, such as a pole, marker, pedestal, meter, or valve. However, if the excavator is aware of or observes indications of an unmarked facility at the proposed excavation or demolition area, the excavator shall not begin excavation or demolition until an additional call is made to the Notification Center detailing the facility and an arrangement is made for the facility to be marked by the operator within three hours from the time the additional call is received by the Notification Center. A 3 Hour Ticket should not be used in the case of destroyed marks.
