

**JUNE** is  
**NATIONAL**  
**SAFETY MONTH**

**Buncombe**

# Safety Tips for working outdoors this summer

## **DRINK UP**

Thirsty or not, drink plenty of water – a cup every 15 to 20 minutes. Avoid caffeine or alcohol which can dehydrate you.

## **ACCLIMATIZE**

It takes time to adjust to working in heat. Work with your supervisor to gradually increase your work load and heat exposure.

# Safety Tips for working outdoors this summer

## COVER UP AND PROTECT

Wear light, loose-fitting clothing, UV rated sunglasses, and a wide-brim hat. Apply sunscreen with a Sun Protection Factor (SPF) of at least 30 and UVA / UVB protection. Re-apply every 2 hours and after sweating.

## SHIELD FROM SUN

Set up shade structures or use umbrellas, buildings, or trees to shield you from the rays of the sun. You can get sunburn on a cloudy day.

# Safety Tips for working outdoors this summer

## TIME IT RIGHT

Try and avoid the sun and strenuous tasks between 11:00 a.m. and 4:00 p.m. when the sun's rays are strongest.

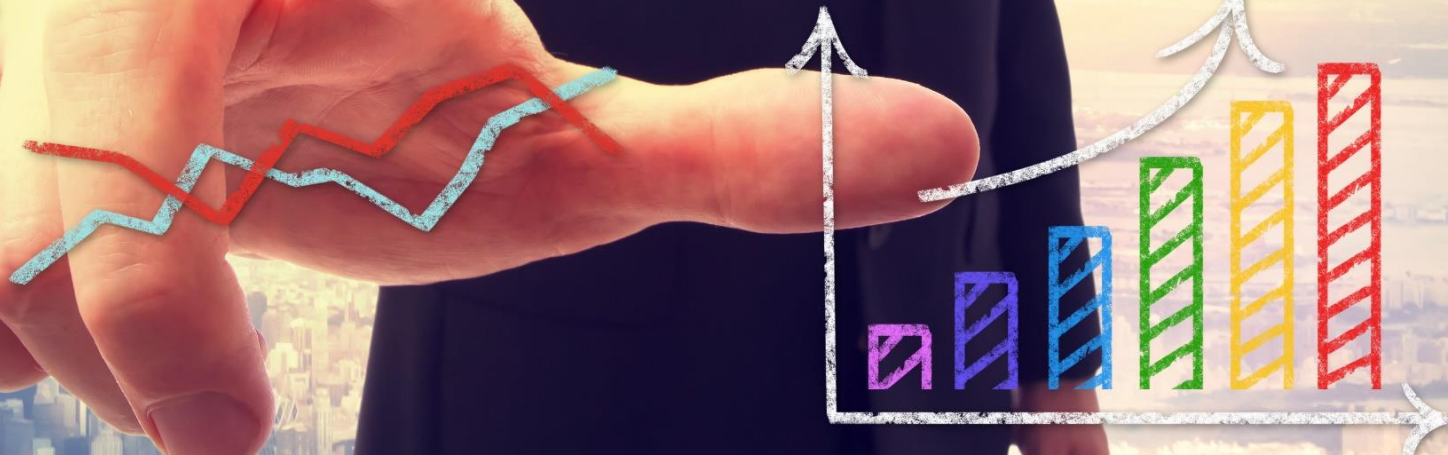

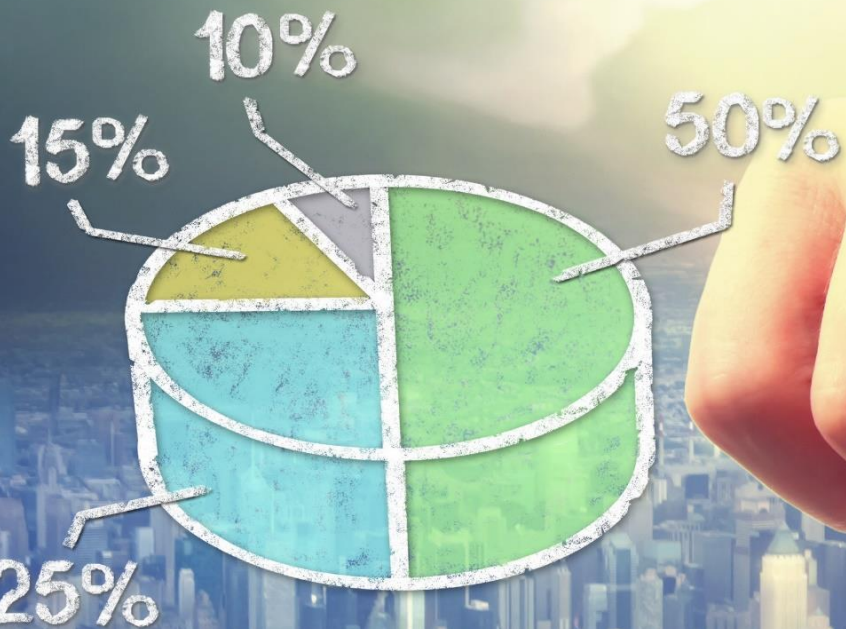

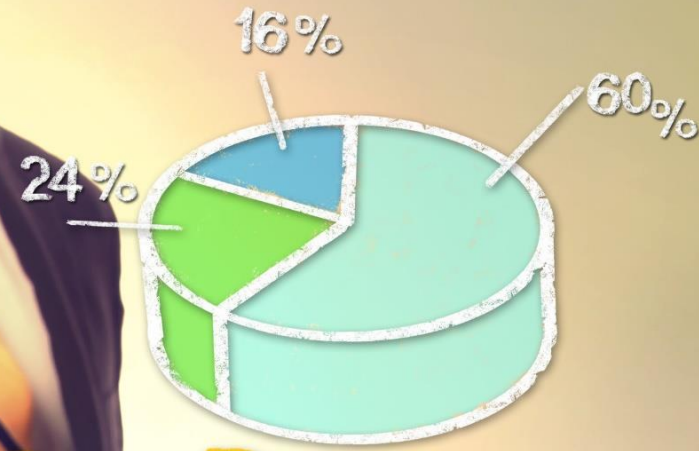

## COOL OFF

Take breaks to rest and cool off in the shade or in air-conditioned buildings or vehicles. Don't over-exert yourself.

Justin Alexander- Southern Cross

Jeremy Rector- Southern Cross

Mike Whiteside- Southern Cross

Jenny Stamey- AT&T

Mike Lewis- PSNC

Kevin Bowers- PSNC

Chip Lance- AT&T

Scott Sawyer- ELS

Old Business- Went over the locates that were reported to Brian Morehouse with NC811 and brought everyone up to date on the talk with those contractors.

New Business- It was brought up how some contractors are not giving the proper information to get locates done as needed, the contractor was in the meeting and went over how they get the job from their company and the information that they provide. Spoke to everyone how it would really help to white line their projects to help all of those involved.

Brian Morehouse- NC811 gave the presentation "June is National Safety Month". Went over with the group the need to stay hydrated, wear proper clothing, take breaks as needed and to perform their work around the hottest part of the day 11 AM to 4 PM. An to use sun screen.

Mr.Al-Bayati with Western Carolina University was introduced to the group by Marc Worth of PSBC and active Board Member for NC 811. Mr. Al-Bayati is doing studies for NC 811 and gather information from the group on type of work in the field and needs and concerns of certain projects

Brian Morehouse- NC 811 then went over the stats for the area with the group and discussed those in detail.

Eric Prince- Tracer Electronics gave a presentation on the new locating equipment that his company has on hand. Great presentation with many questions.

Meeting adjourned at 12:54 PM

After the meeting many in attendance met at MB Haynes for a demo of the locating equipment that Tracer Electronics had on hand.

AT&T provided watermelon and water to all those at demo
