Meeting was called to order by President, Ralph Johnson. Robert Turner of Brentwood Water Corp. offered a prayer of blessings on the meeting and meal.

Ann Rushing is our current contact person until a new area representative has been secured. She can be reached **(Cell) 226.944.5518**. A posting for the position previously held by Mark is currently on the NC 811 UCC Website. If you know of possible candidate, please contact Ann with that information. The hope to have a new person in place by January 2018.

Tami Stout of NC811 UCC from the Charlotte area met with us today, and made the monthly NC 811 Presentation. Thank you, Tami, for meeting with us!

A link to the December presentation is included with the distribution of these minutes. A handout of the presentation was presented at the meeting.

Round-table Discussion Time:

Richard Deal – USIC: Richard reported that PNG has gone with another provider for locating services as of January 1, 2018. This supplier is Heath Consultants for Texas.

Daniel Breland – USIC: Is replacing Josh Stigler in the Burke County area. He will be meeting with us at future meetings. Welcome Daniel!

Ken Suttles & Doug Suttles - Suttles Surveying: Still staying very busy. They are still working in the Love Truck Stop in the Charlotte area. They have been working with a retirement home on Parker Road in Morganton. Finally, they have been working on a hotel in the town of Black Mountain.

Ralph Johnson - Brentwood Water: Still selling a few taps, leaks have slowed down a lot. Things are going well at Brentwood Water Corp.

David Poore – West Consultants: Still working on two projects in the towns of Rhodhiss and Rutherford College. These are water and sewage projects.

Tom Chapman – REMC: REMC has been very busy especially with the snow fall last week. They had several customers out of power due to down trees and snow accumulation. Their new offices in Morganton has broke ground, and is moving along.

Shane Stines - City of Morganton: Continental Teva in Morganton is starting a major enlargement project, which will require the overhauling of their electrical, water, and sewage systems. A new window company is going to be relocating in the old Caterpillar facility just off Exit 98 of I-40.

Chris Guffey of NCDOT: Exits 100, 107, & 111 of I-40 rework projects will begin shortly. The Right-of-ways will be secured in 2018, and construction of the new interchanges will begin in 2020.

Mike Sheffield - PRG Consulting: They are staying very busy, especially in Caldwell County. Not currently working on anything in Burke County.

At our next meeting, we will be electing new officers for the year 2018.

Remember to visit the NC811 website for very informative information
