The December 2019 Meeting was held on Tuesday, December 10, 2019 at 12:00 noon at the Timberwood Restaurant in Morganton, NC. The meeting was called to order by Ralph Johnson, Chairperson. Troy Houser offered a prayer of blessings on the meeting and meal.

Brian Morehouse was not able to be with us at this meeting. Robert Turner reviewed the monthly stats from the November 2019 presentation. A complete listing of all stats for the previous month of November 2019 are included in the PowerPoint presentation attached to the email used to send these minutes out. Listed below is a highlight of ticket / transmission for November 2019:

USIC:	Hugh Spinks (Area Supervisor)	773-619-3672
PNG:	Jennifer Henderson, Heath Consulting	980-613-1579

Brian wants us to remember to continue to document any locating issues that might develop during the course of work during the coming months.

SPECIAL REMINDERS:

- **Damage Reporting: Remember that if you damage an underground utility, it is your responsibility to report this damage to NC 811 UCC. Offices in Greensboro.**
- Below is the website where you can go to communicate “Damage Violations”.

Round-table Discussions:

Tommy Chapman – REMC: Continuing to work on the 100,000 voltage Transmission lines between Cathy Road and US Highway 64 South. REMC has begun to pull wire for this project. If all goes well, this project should be completed by years end. The experienced a lot of wind damage and power outage from the recent wind and storm of a few weeks ago.

David Wortman – Town of Rhodhiss: Nothing to report.

Ralph Johnson – Brentwood Water: Doing routine maintenance to equipment and the system. Getting ready for the winter month that are upon us. Still selling new taps and fixing some leaks. Have completed the painting of the water tank on Hwy 70 West at Snow Hill.

Ken & Doug Suttles – Suttles Surveying: Still working on the Lake James dam project and DOT Bridge replacement on Sugar Hill Road at I-40 intersection. The Lake James project has been extended to early spring. The Powerhouse road across the dam is going to require rebuilding because of all the heavy traffic in the repairs made to the dam.

Jeremy Hussey – USIC – Caldwell County: The Facebook project in Caldwell County is about to be completed. Jeremy hopes to be able to report at our next meeting that this project is completed.

John Leger – Town of Rutherford College: Several new houses are being built in the Harbor Ridge development. Lots of new taps along with regular maintenance to their system.

Kevin Pritchard – City of Lenoir: Two new restaurants are coming into the town of Lenoir. The town has begun a very large project of replacing approximately 11,000 AMR water meters. This upgrade will include remote cutoffs at each meter.

We had a new member to join us at today's meeting. Tracy Huffman from the City of Lenoir in Caldwell County. His email address is: thuffman@ci.lenoir.nc.us

In closing, Brian would like for me to restate the importance of everyone getting all the facts on any damage that we have to our systems or that we may do to other companies' systems. Document all problems and submit them to the proper authorities for proper actions.

We hope that you will tell others about the value of getting together to network and invite others to attend our next meeting which **will be held again on Tuesday, January 14, 2020 at 12:00 noon at the Timberwood Restaurant in Morganton.**

I want to wish each of you a very special Merry Christmas and a Happy New Year!

Hope to see you next month!!
