BURIED
TELEPHONE
CABLE

WHITE PAINT OR FLAGS ON A JOB SITE ELIMINATES GUESSWORK.

Sometimes it is difficult for excavators to relay the exact location of their dig sites to the one call center. Even clear and accurate information relayed in writing or verbally to one person may not be clear to another. With white lining, locators have excavation information on paper, and also have a clearly marked excavation area. White lining helps to avoid misinterpretation and allows for more accurate locates.

Minutes –Burke / Caldwell Counties - NC 811 Meeting

May 16, 2018

Present:

Brian Morehouse -NC811 UCC
Ralph Johnson – Brentwood Water
Robert Turner – Brentwood Water
David Perkins – Brentwood Water
Troy Houser – Brentwood Water
Max Chapman – Brentwood Water
Roger Lowery – Brentwood Water
Ken Suttles – Suttles Surveying

Doug Suttles – Suttles Surveying
Landon Suttles – Suttles Surveying
Keith Radcliff – NC DOT
Jennifer Henderson – Heath Consultants
David Poore – West Consultants
Tommy Chapman - REMC
Richard Deal – USIC
John Leger – Town of Rutherford College

Meeting was called to order by President, Ralph Johnson. Robert Turner of Brentwood Water Corp. offered a prayer of blessings on the meeting and meal.

This month's meeting was held at "Friday's Friends", because of electrical working being done at the Timberwood Restaurant. **Next month's meeting will go back to the Timberwood Restaurant.**

Brian Morehouse Contact Information: Email at: bmorehouse@nc811.org. Cell Number is: 336-482-6890

Brian Morehouse of NC811 UCC made the presentation of data for the month of April 2018. **The entire presentation was sent to you early last week. Or you can find it by visiting the NC811 website at - <http://www.nc811.org/>**

Brian noted that the data for Caldwell County was missing from his presentation. As soon as he receives the updated presentation he will forward it, so it can be sent out to each member of our association. Please refer to the presentation of specific county data.

Brian review the policies concerning White Line Painting and White Flag Markers. This should be done prior to calling NC 811. This will show the locators where you plan to dig. He also reviewed the Pipes Plus Safety Training on-line course and encouraged everyone to take advantage of this free training.

Round-table Discussion Time:

Keith Radcliff – NC DOT: Nothing to report in Burke County for this month.

Richard Deal – USIC: Tickets have picked up a lot. USIC is working 6 & 7 days a week especially in the Triad area. They currently have 190 locators in the Winston Salem District.

David Poore – West Consultants: Working on a project for Burke County. This is the water line grant project down NC Hwy 18 South. A lot of rock and just a tough project.

John Leger – Town of Rutherford College: Have just finished up a grant project for water and sewage within the town. All went well, and they are now back to regular maintenance. Selling a few taps.

Jennifer Henderson - Heath Consultants: Nothing to report.

Tom Chapman – REMC: Doing a lot of routine maintenance and doing upgrades and replacements of older transformers before they cause power outages.

Ken Suttles & Doug Suttles - Suttles Surveying: Working on several landfill project in both North and South Carolina. The regulations on such projects have changed a lot over the years. The regulations have gotten a lot stricter.

David Perkins - Brentwood Water: Have been selling a lot of new taps. Doing a lot of maintenance, valve exercises, and cleaning out meter bases etc.

Our next meeting will be held again on Tuesday, June 12, 2018 at 12:00 noon at the Timberwood Restaurant in Morganton. Hope to see you next month!!

Submitted by: Robert Turner – Secretary
