Steven Fussell with the City of Fayetteville stated they have a few drainage projects in the works as well as City Resurfacing.

Robert Gardner with the City of Fayetteville Traffic Services stated the red light camera project has been halted due to the cameras not interfacing with the cabinets therefore they are in the processes of replacing the cabinets.

Kenny Hart with PWC Water Resource Construction stated that our water main contractor is working on Langdon Street. The Bragg Boulevard and Owen Drive DOT Irrigation Projects have been completed. The Eastern Boulevard (Botanicals Gardens) Irrigation Project is underway. Also, the Connect Project is coming to a close within the next week.
