LSAW
Locator Safety Awareness Week

Locator Safety Awareness Week April 22 – April 27

Established in 2014 by Infrastructure Resources and endorsed by Nulca, LSAW addresses the need to keep our locators safe on the job. Take the opportunity during this week to acknowledge the locators you work with and let them know how much you appreciate the difficult, challenging, and sometimes dangerous work they do protecting our underground utilities.

#LSAW

April is also Distracted Driving Awareness Month

Every seven seconds someone is injured in a car crash and every 15 minutes someone is killed in one. Employers absorb costs associated with these crashes whether they occur on or off the job. Workplace policies and employee education can help protect your employees, your organization and your community.

Creekside The Clock Restaurant

Tuesday April 2nd 2019

Start time 11:30 AM

Attendance- (7) Please see Attendance Sheet attached

Meeting called to order by Brian Morehouse NC 811 Education Liaison at 11:39 AM

Brian Morehouse started the meeting off by "Thanking Everyone" for coming out and being part of today's meeting. Opened up by introducing everyone in attendance.

Brian Morehouse started the meeting off by showing a quick video to the group, "April is Safe Digging Month" Brian Morehouse passed shirts out to those that ordered them. He then went over the stats for the area with YTD, March 2018/2019, County Ticket Volume, RTE information. Mentioned to the group how important it is to call your locates in and give correct information.

Brian Morehouse spoke with the group about NC811 coming in and giving presentations on How, When and Why to Call 811 Before You Dig!!! Also gave out information on how to become an RTE user and a Safe Digging Partner. Encouraged all of those in attendance to please talk to their Management about this along with having their webmaster put out 811 Link to their webpage, to help cut down on any questions that they may be receiving.

Current Meeting and Events were presented to the group, that are upcoming over the next month and thru the summer months.

Old Business- NONE

New Business- Encourage all to spread the word to help make our UCC grow and keep getting the word out to the community helping us educate those around us.

Bessemer City- Having issues with a company doing the work before they even call in the locate. By the time the locator gets out there the job is complete. Locator states he is on site within 24 hours of ticket being called in.

City of Gaston- Getting locates marked on time is an issues, they have to call in a lot of (3) hour tickets, which is taking away from them getting their work done on time.

Kings Mountain- Work load is heavy and locates are rolling in but staying on top of things

Meeting Adjourned at 12:45 PM

Next Meeting will be in May the First Tuesday, at the Creekside Clock at 11:30 AM
