March 28, 2019

Fort Bragg UCC
Boxcar Street, Pope Air Field
Fayetteville, NC

Meeting Time: The meeting was called to order by Joe Heckman at 8:30 a.m.

Total Members Present: There were Five members.

Meeting: Joe Heckman, with PNG, stated this was probably the last UCC meeting if all parties were in agreement. Joe, stressed that this UCC originally was started in 2017 and has been unsuccessful in having a respectable attendance from contractors. Darryl Butler, with the director of public works, pope airfield, asked if NC811 could put together an analysis showing the financial benefit of having NC811 continue meeting on base. Kevin Smith, with NC811, stated that if such a report was available, how would this sustain and attract contractors to actively participate within this UCC group. Darryl, stated that he has not heard from Louis Panzer, with NC811 concerning the cost of the base becoming a member. Kevin, stated perhaps Louis has been in conversation via email to either Audrey or Monica concerning this. Kevin stated he will look into the status of this conversation.

General Discussion:

General discussion's main topic was the viability of this group in meeting again. No decisions were definitively made, one way or another to keep this UCC active.

Meeting concluded after the general discussion. (above)
