NC Underground Damage Prevention Review Board Process

Complaint received, response sent within 10 days, response material compiled, case number assigned

Board reviews the information provided by the parties and determines whether a violation occurred or if there is insufficient evidence. Action or penalty is determined. Certified letter is sent to the parties indicating the outcome and that the violator has 30 days to request a hearing from UDPRB if they disagree.

If a hearing is requested, the UDPRB will place it on the calendar for a future meeting and notify both parties. If no response within 30 days, case is docketed with Utilities Commission and an order is issued.

If penalty is upheld, case is docketed with the Utilities Commission and an order issued. Any future appeals are handled directly through arbitration. An order issued from Utilities Commission from arbitration, may be appealed to the superior court division of the General Court of Justice in the county of alleged violation or in Wake County

The party cited with a violation will have (90) days to comply with the training requirement once docketed by the Utilities Commission. Their order will explain the details of compliance for fines and training to the individual receiving the order.

NC Underground Damage Prevention Review Board Process
