# Safety Tips for working outdoors this summer

## **DRINK UP**

Thirsty or not, drink plenty of water – a cup every 15 to 20 minutes. Avoid caffeine or alcohol which can dehydrate you.

## **ACCLIMATIZE**

It takes time to adjust to working in heat. Work with your supervisor to gradually increase your work load and heat exposure.

# Safety Tips for working outdoors this summer

## COVER UP AND PROTECT

Wear light, loose-fitting clothing, UV rated sunglasses, and a wide-brim hat. Apply sunscreen with a Sun Protection Factor (SPF) of at least 30 and UVA / UVB protection. Re-apply every 2 hours and after sweating.

## SHIELD FROM SUN

Set up shade structures or use umbrellas, buildings, or trees to shield you from the rays of the sun. You can get sunburn on a cloudy day.

# Safety Tips for working outdoors this summer

## TIME IT RIGHT

Try and avoid the sun and strenuous tasks between 11:00 a.m. and 4:00 p.m. when the sun's rays are strongest.

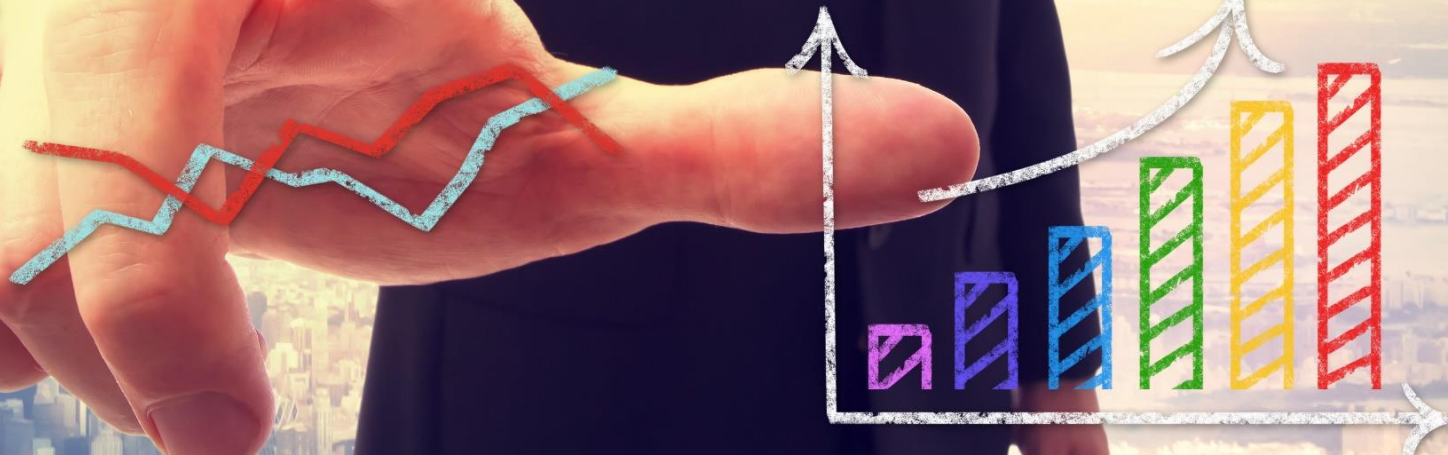

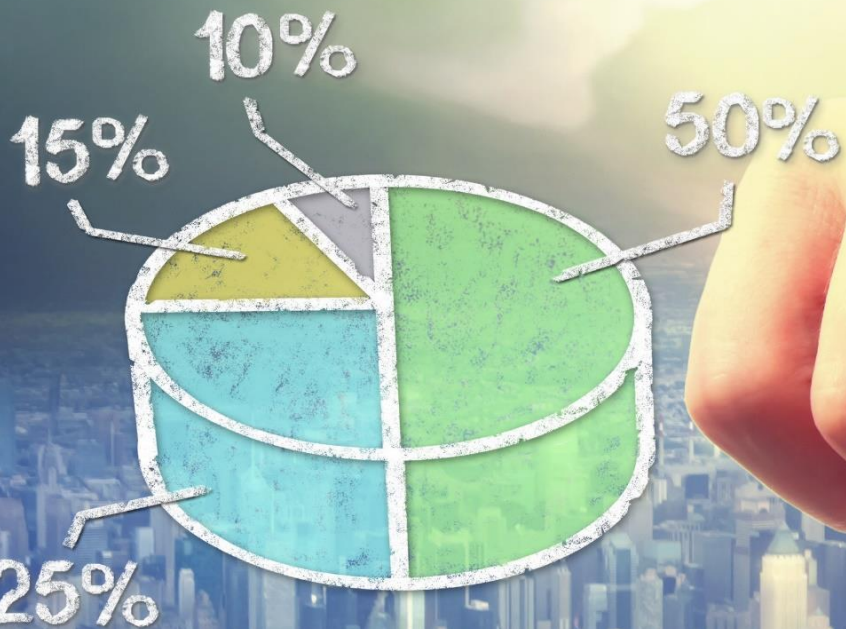

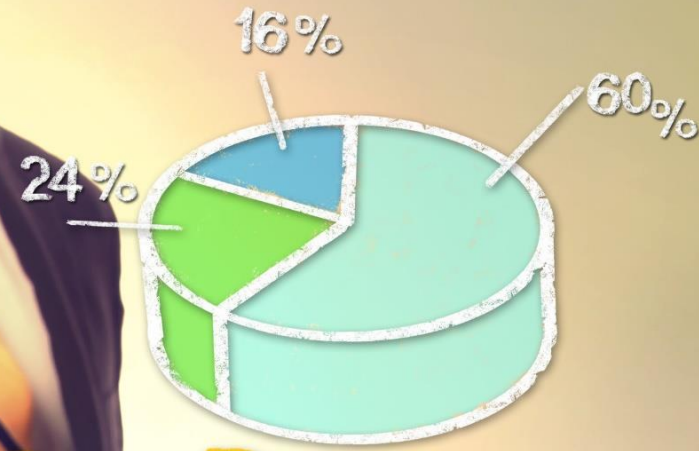

## COOL OFF

Take breaks to rest and cool off in the shade or in air-conditioned buildings or vehicles. Don't over-exert yourself.

Hoke/Scotland County UCC Meeting  
June 2018

Meeting opened at 9:05 am.

United Rental-nothing to discuss. First time in attendance. Just introducing himself and putting his name out in case anyone needs services.

Hillcrest-They have projects upcoming. Looking for continued funding. They are planning to become members of NC811. Gave Lesley's business card to Randy.

USIC- They are still having trouble with GPS coordinates called in for locate requests. The GPS coordinates give you the "location" but does not specify where. He has also had a few issues with people calling in tickets, complaining about ticket not being located, then changing the scope of the ticket. Ronnie will send me information when he has further issues.

Hoke County Utilities- DOT projects coming up. Relocating some water lines at intersection of Rock Fish Road and 401.

Piedmont Natural Gas- Nothing major coming up. Hwy 401 strip mall. Will have fifteen miles on a project in Fayetteville.

City of Raeford- No projects breaking ground right now. Several projects upcoming.

No damages to report.

NC811 presentation given by Tami Stout.

Next meeting July 26.
