Iredell County UCC Meeting
March 2020

Meeting opened by Chair, James McHouell at 9:09 am.

The UCC would like to have the yearly Damage Prevention Breakfast in April on April 2. Two choices for the location right now. Hilton Garden Inn in Statesville and Golden Corral. HGI is \$1500+. GC is \$1100+. Both include taxes and gratuities. HGI has adequate parking, a/v equipment, full breakfast, and a large meeting room. GC includes full breakfast, adequate parking. The facility is sectioned off and is more difficult to meet in and would require bringing a/v equipment for a presentation. James will be checking with stakeholders to see who can participate. Dominion Energy and Williams are a yes.

Dominion Energy-

A lot of work coming up. Rerouting the 8" plastic line at Perth/Byers. Work at McClelland in Mooresville. Davy Avenue/I77 at the bridge will be retiring the main. Working inactive and anodes. Next few months will be working isolated services. 3000 in Statesville. Will remove the old service and install new. W Wilson Avenue in Mooresville replacing main. This is a Town of Mooresville project.

Williams Pipeline- Business as usual.

NCDOT-

When you are doing your traffic control, make sure what you are doing falls within the correct parameters. Three people were killed on I40 the week prior. NCDOT will be auditing job sites. Please do not take the visits personally. DOT will be looking to make sure safety procedures are being followed to the fullest.

NC811 presentation given by Tami Stout.

Next meeting will be April 2. The location of the Contractor Awareness Breakfast is TBD.

*After concerns about COVID-19 Iredell UCC meetings are on hold until further notice.
