

**Utilities Coordinating Committee (UCC)
Jones/Onslow Counties
Meeting Minutes
January 17, 2019**

Opening prayer at 11:38 am
Lunch
Meeting began at 12:00 pm

Chairman Ralph Murphy welcomed everyone and asked that they please sign in and silence their cell phones. He also welcomed all the newcomers to our UCC Meeting and thanked Jones-Onslow EMC for providing lunch for today's meeting.

Ralph congratulated **Kirby White** (PLURIS), as the newly elected Vice-Chairman of the Jones/Onslow UCC.

Looking at the numbers...

- For **January 2019 vs January 2018**, there was an overall **23.2%** increase in locate tickets.
- **Jones County** had **152** locate requests for **January 2019** with an average of 8 tickets per day. This is an increase of over 123% from January 2018.
- **Onslow County** had **1,795** locate requests for **January 2019**, with an average of **94** tickets per day. This is an increase of over 30% from January 2018.

The substantial increase is due to ongoing recovery efforts since Hurricane Florence.

- For **Jones County in January 2019**, the majority of locates were requested in the **Pollocksville** and **Trenton** areas. For **Onslow County in January 2019**, the majority of locates were requested in the **Jacksonville** and **Holly Ridge** areas.
- **Remote Ticket Entry** seen a **66%** increase in volume in **January 2019 vs January 2018!**

Don't forget...FREE Online Safety Training is available at ncpipesplus.org

Reminders:

Don't forget that Damage Contact Info is on the NC 811 app! When a utility is damaged, you can research who to contact in your area using this section of the app.

Always make sure the info you provide for your locate ticket matches your white lined area!

Visit www.scucc.org for the links to register and reserve your space now for the Joint NC/SC UCC Conference held MAY 1st – MAY 3rd at the Sheraton Myrtle Beach Convention Center in Myrtle Beach, SC. If you have questions, please contact Michael Nicholas at mnicholas@scana.com.

Thanks to everyone that placed an order for a National Safe Digging Month T-shirt. Our UCC placed a bulk order of 50 shirts! We will let you know once the shirts have been received.

Israel Willett with United Rental gave a presentation on Competent Person-Trenching and Excavation Safety. He discussed the training requirements for a “competent person” on-site. He also showed pictures of hazardous conditions at worksites and reviewed problems with confined spaces and un-safe practices. Thanks so much to Israel for an awesome presentation!

87-122 (c) (2) Confirm through positive response prior to excavation that all operators have responded & that all facilities that may be affected by the proposed excavation have been marked.

Member Response Codes

- 10 No conflict, utility is outside of stated work area
- 20 Marked
- 30 Not complete
- 32 Locate Not Complete, additional communication with the excavator required. Unable to contact the excavator.
- 40 Could not gain access to property, locator will contact excavator
- 50 Critical facility not marked, The utility owner or their designated representative have contacted the excavator and have agreed to a period that an owner representative must be present during excavation to identify the unmarked facility and/or monitor the excavation
- 55 Critical facility marked. The utility owner or their designated representative have contacted the excavator and have agreed that an owner representative must be present during excavation
- 60 Locator and excavator agreed and documented marking schedule
- 70 Excavator completed work prior to due date
- 80 Member's Master Contractor is responsible for locating facilities
- 90 SURVEY DESIGN REQUEST - Facility Has been Marked in the Field
- 92 SURVEY DESIGN REQUEST -No Facilities in the Area
- 94 SURVEY DESIGN REQUEST - Facility Records Provided
- 98 SURVEY DESIGN REQUEST - Access to Facility Records Provided
- 100 Location request denied due to Homeland Security Concern. Member utility operator needs to confirm legitimacy of the proposed excavation and may need additional information.
- 110 Subaqueous Facilities Present. Member utility owner will locate facilities within 10 full working days.
- 888 Extraordinary Circumstances Exist. Member utility owner unable to complete location request until (Date / Time).
- 999 Member has not responded by the required time

Destroyed Marks & 3 Hour Tickets

DESTROYED MARKS

If locate marks have been destroyed, the excavator must contact NC811 to issue a Destroyed Marks ticket requesting a remark of the area from the original ticket. A 3 Hour Ticket should not be used in case of destroyed marks.

3 HOUR TICKET

If an operator fails to respond to the positive response system, the excavator may proceed if there are no visible indications of a facility at the proposed excavation or demolition area, such as a pole, marker, pedestal, meter, or valve. However, if the excavator is aware of or observes indications of an unmarked facility at the proposed excavation or demolition area, the excavator shall not begin excavation or demolition until an additional call is made to the Notification Center detailing the facility and an arrangement is made for the facility to be marked by the operator within three hours from the time the additional call is received by the Notification Center.

Bad Weather Driving Tips

- Inspect their vehicles before departing. Check tires, lights, turn signals, wipers, windows, defroster, mirrors and loads. Report defects to the mechanic and have them repaired before you go on the road.
- Keep windows and lights clean and clear of dirt, snow, and ice.
- Use wipers, defrosters, and headlights to improve your visibility day or night. Headlights also help other drivers see you.
- Avoid distractions, such as cell phones or radios.
- Watch out for puddles and icy patches that could cause hydroplaning or skids.
- Do not attempt to drive through deep puddles. You could get stuck or wet the brakes.
- Avoid quick or sudden stops or turns.
- Increase your stopping distance.
- Wear your seat belt at all times and require passengers to do the same. There is no time for mistakes during bad weather. Bad weather affects all drivers. You must stay alert. Watch out for the other drivers, too. Drive defensively!
