The guest speaker for the month of February was Robert Memory with Maser Consulting. Their company has been hired by the North Carolina Department of Transportation to handle project **ATLAS**, which stands for – Advancing Transportation thru Linkages, Automation & Screening. The NC Secretary of Transportation has this initiative as a priority and is covering all the costs of this project. It is a GIS based regional modeling effort that aligns with the Transportation Secretary's priorities to improve the state's road construction program and reduce asset confliction issues. The goal is to streamline project development through GIS based data on regional land. They request GIS database information from all entities having assets, so that roadway design engineers will have the facility information BEFORE the project is designed, therefore avoiding those assets. The plan is to protect infrastructure and save money, by attempting to avoid all utilities in the planning phases of designing a project. For more information on this project, you may contact Robert Memory or Bruce Sheldon with Maser Consulting at the Charlotte location, at (980) 245-3161. A big thanks to Mr. Robert Memory for taking the time to explain the details of this project.

****LOCAL UTILITY UPDATES****

City of Jacksonville – Locates for gas lines on Piney Green Rd; Fiber going down Gum Branch Rd, Hwy 258 and Hwy 17.

Piedmont Natural Gas – Lots of gas lines going in on Piney Green Rd and will probably be there 3 to 4 months. Next, will go to Drummer Kellum and Gum Branch Rd. Replacing the lines at Camp Lejeune gates I and II. Also, will be running gas lines from Sneads Ferry to Hampstead along Highway 17 in the future.

Parker & Associates – Staying busy with design work in Stump Sound and Folkstone area. Also on Catherine Lake Rd and on Hwy 258. Reminder that utilities should be located before design work is done.

Vermeer Mid Atlantic – Randy Johnson was available to discuss equipment options.

CenturyLink – Routine maintenance and repairs.

City of Maysville – Making upgrades.

PLURIS – staying busy; dealing with various utility issues. Gave a reminder to everyone to wear sunscreen to help avoid skin cancer.

JOEMC – Staying very busy with both commercial and residential development, working in 17 different subdivisions; many ongoing projects in Onslow and Pender counties;

Spectrum/Charter communications – Busy. Finishing up work in Summerhouse.

Ditch Witch – Brian Norris was available to discuss equipment options.

Onslow County Planning – Jessica Rhue advised they now have accelerated permitting; pending subdivision ordinance requires fiber must be installed in conduit.

COJ Fire & Emergency Services – Fire Marshal Brian Kelly gave thanks for the work and close-knit fellowship gained from our local UCC, after having emergency contact info for Piedmont Natural Gas employees during a recent gas leak on Henderson Dr. Please make sure UCC members have your BEST contact info in case of an emergency!!

PRG - Zack Grizzle, new investigator handling damage claims. Advised that excavators take plenty of pictures.

ONWASA – Busy with developmental projects and planning of capital projects. Several new subdivisions coming up. More aerial crossings to be removed and the water lines bored underground; one on Hwy 17 - New Bern Hwy at the bridge near Deppe Rd, one on Ramsey Rd and one on Drummer Kellum Rd. ONWASA will be extending services for 100+ customers in the Maple Hill area of Pender County in the coming months.

Vice-Chairman Chris Banks (Safety Manager with JOEMC) – Stressed safety on the roads with impending wintry weather; beware of black ice.

This meeting ended at 1:15 pm. There were 42 attendees.

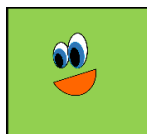

These minutes were prepared by Jones/Onslow UCC Secretary, Sherry Jones.
