

Meeting Minutes

12/5/2017 12:00pm

Called to Order & Welcomed Guests

- Don Griesedieck called meeting to order @ 12:20pm (started lunch at 12)
- Introductions
- Approval of minutes from last meeting

Old Business

- Thank you to our veterans for your service!!
- Locators are taught methods but then they look for shortcuts in the field when on their own, not always locating properly. Communicate with other locators, meet them onsite if needed. If you continue to have problems with same locators speak with their supervisor. Some locators may need to be called out in order to get them back in check.
- There are as many as 6 fibers on the side of the road in Raleigh
811 PPP is attached.

New Business

- Safety Moment: Warren Co had a severe blockage on a sewer main near US 1 HWY, everyone worked together and it went smooth with all utilities involved. It's very important for us to have our UCC meetings to build relationships.
- Vance Construction thanked PSNC for their prompt response to a hit gas line
- City of Oxford will have an ongoing water and sewer line project that will take place in existing neighborhoods and in town. Locate tickets may double and they may be calling in for assistance. Utilities that were present are all willing to help as needed.
 - DOT will be paving their roads in Oxford in March 2019 so those roads will be worked first and not in 1 place, they will be spread all over.
 - Spectrum can possibly have someone meet with crews to discuss the dos and don'ts.
- Design survey requests are designed to help with these designs and utilities have 10 days to respond.
- 811 PPP

Our next meeting will be held 1/5 at 12pm. I will announce the meeting place and sponsor before then.

Special thanks to our sponsors for lunch – Macon with Warren County & Pete and Mike with Frontier.
