

## Meeting Minutes

2/7/2017 9:00 AM

### Called to Order & Welcomed Guests

- Don Griesedieck called meeting to order @ 9:00 AM
- Approval of agenda

### Introductions

### Old Business

- Safety Moment – Had a buck in a parking lot in Warren Co allowing people to come up to it, rub it, etc. Had to call Wildlife to take care of it. General public was walking up to a wild animal without thinking about him coming to his senses and running over someone or sticking his antlers in someone.
  - 3 guys were working on the side of the road in Kittrell when a truck came by and the tire flew off of the trailer hitting 2 of the workers. Luckily they did not get hurt other than a few bruises. Be alert and watch your surroundings.
- There is concern for the gridding of the locate tickets. Tickets are being issued and no utilities are nearby. Paying .89 per transaction is still an issue for some utilities.
- Andy went over Jeff's PPP in his absence
- New contractors will be coming in

### New Business

- Safety Moment – 2 people were killed going into a confined space in a storm drain. If you see someone passed out in a confined space, please do not go in after them. Call for help or the same thing could happen to you.
- Allen Construction is back in business but so far no bad news.
- Franklin Co phase 2 sewer project is coming with a 180 day contract.
- 401 HWY project is about to begin.
- A Plus Communications locates have not been very clear and they will not white line.
