## Meeting Minutes

11/10/2017 12:00pm

### Called to Order & Welcomed Guests

- Don Griesedieck called meeting to order @ 12:20pm (started lunch at 12)
- Approval of minutes from last meeting

### Old Business

- Safety moments: Be mindful of exhaust from vehicles catching dry grass on fire
  - Be cautious when approaching hills, intersections, etc, the sun can be blinding at times.
  - October is fire safety month in NC, change batteries in fire detectors, etc
- AT&T is back in Raleigh area
- USIC is hiring about 60 people over the next couple of months
- DOT has an ongoing 4 lane project on HWY 401
- PSNC has an ongoing 12" steel job on Lawrence Rd
- Just because an emergency locate is called in, by law utilities still have 72 hours to locate. If an emergency is called in locators determine if it is a true emergency and or call each other. UCC meetings are important for building relationships for this reason.
  - Destroyed marks are still allowed 72 hours for locating. If an area is unmarked call in a 3 hour ticket \*\*\*\*3 hour tickets are not to be used for destroyed marks\*\*\*\*
- 811 PPP is attached.

### New Business

- Thank you to our veterans for your service!!
- Locators are taught methods but then they look for shortcuts in the field when on their own, not always locating properly. Communicate with other locators, meet them onsite if needed. If you continue to have problems with same locators speak with their supervisor. Some locators may need to be called out in order to get them back in check.
- There are as many as 6 fibers on the side of the road in Raleigh
- 811 PPP is attached.

**Our next meeting will be held 12/5 at 12. Warren County & Frontier will be our sponsors for December. I will announce where our next meeting will be.**
