- Don Griesedieck called meeting to order @ 9:am
- Approval of minutes from last meeting
- Introductions

Old Business

- Safety Moment: 12/28 Construction employee was killed when pipe slid off backhoe.
 - Crew cut gas line w/ saw, very close call. Valuable lesson learned.
- City of Oxford has approx. 20 miles of water and sewer lines to be installed. They are asking for assistance from all utilities before the process of them digging. Maps are available. 12" water line to begin in the next 30-45 days
 - DOT will be paving their roads in Oxford in March 2019 so those roads will be worked first and not in 1 place, they will be spread all over.
- By law locators have 3 days to locate an emergency locate ticket. It is important to build relationships with other locators and utilities to help with this process.
- 811 PPP

New Business

- Safety Moment: Keep hands sanitized to keep from spreading the flu and other viruses
- There have been an abnormal number of residential water meters freezing from the extended days of cold weather.
- PSNC is about to begin work in Ironwood and have several other projects coming up.
- If a line is not energized USIC is not required to locate lines but they should in order to keep lines from being damaged. Utility contractors should contact the utility owner to let them know about situations like this instead of calling the company that is calling in the locate ticket.
