Your Marks Matter

Accurate locate marks can prevent service disruptions, fines, personal harm and other unintended damages.

LSAW
Locator Safety Awareness Week

Locator Safety Awareness Week April 22 – April 27

Established in 2014 by Infrastructure Resources and endorsed by Nulca, LSAW addresses the need to keep our locators safe on the job. Take the opportunity during this week to acknowledge the locators you work with and let them know how much you appreciate the difficult, challenging, and sometimes dangerous work they do protecting our underground utilities.

#LSAW

April is Distracted Driving Awareness Month

Every seven seconds someone is injured in a car crash and every 15 minutes someone is killed in one. Employers absorb costs associated with these crashes whether they occur on or off the job. Workplace policies and employee education can help protect your employees, your organization and your community.

93 Year Old Max Chapman Still Supporting Damage Prevention

NC811 recognized Max Chapman as a Damage Prevention Ambassador at the Burke Caldwell Utility Coordinating Committee Meeting on Tuesday, March 12th . Mr. Chapman is 93 years young, but does not let that stop him from being a vital part of his local UCC. Ann Rushing, Education Manager stated, “Mr. Chapman is an inspiration to us all. He has spent his entire life giving back to the community and does not let anything stop him from continuing his service. He richly deserves the great distinction of being a Damage Prevention Ambassador”.

Lee County UCC Meeting
879 N. Horner Blvd.,
Sanford, NC

Meeting Time: The meeting was called to order by the chairperson, Michael Lamping at 8:35 a.m. Introductions were made.

Total Members Present: There were Sixteen members.

Recent Damages: There were no significant damages that this group were aware, within Lee County, since our last meeting. Mike Lamping, did state that they have incurred some recent small damages.

New Business and Projects:

Michael Lamping, with the city of Sanford, stated that city is continuing to grow with some new commercial development. Michael stated that there is a new restaurant by the name of Valentines, that will be built on main street. There is also a new single family home subdivision that will be started in a couple months, to be constructed near Clearwater street in Sanford. Lee Parris, with NCDOT, stated they are working on a road widening project at thirty-eight and Broadway. He also stated that the subdivision of Nottingham will soon be developing phase five of this development. There is also a new bridge on 15 and 501.

NC811 Presentation:

Kevin Smith gave the NC811 presentation. Kevin stated contractors can assist in the efficiency of the locate request by doing the following. *Wait until the 11th or 12th day to update a locate ticket. *Contractors should be white lining the area they are going to excavate. *Make certain white lining matches the locate request. (do not state locate entire property if area is indeed located) *Only request locate tickets for the area in which you will be working in the next 3-5 days. *Utilize Design Survey Tickets when possible. *Contractors, reach out to your area locators and with good communication, let them know where you are actually working for the week.

General Discussion:

General conversation about the amount of locate tickets being requested and the inability of locators to fulfill the requests. Concerns with the group as to what the answer is in actually a long term solution for this scenario.

Meeting concluded after the general discussion. (above)
