Avery, Mitchell, Yancey March 2019 UCC Meeting

Friday March 22<sup>nd</sup> 2019

Location- Piedmont Natural Gas, Spruce Pine,NC

Time-9:30am

(3) attended

Due to an emergency PNG was unable to open the office at this location. Met with Jeremy Hussy, USIC and Keith Radcliff, met in parking lot.

Brian Morehouse, Western Region Education Liaison, gave the March 2019 Presentation.

Gave the overall stats for this area for the Month of February 2019 compared to the Month of February 2018, gave the YTD totals. A short video was shown to the group in regards to calling 8111 Before You Dig!! The video showed an incident that involved a gas company and what can happen when someone doesn't Call 811 Before You Dig!!!

Brian Morehouse told the group that there are openings throughout the year if anyone is interested in having 811 come in and speak to their organization about 811, when, why and how to contact 811. Also, went over the new 811 app, encourage all to download the app.

Went over with the group on how to navigate the app and showing them how to get to the Damage Prevention portion of the app.

Brian Morehouse went over with the group that if they have any issues to make sure to reach out to him with those issues and please don't wait to the meeting to address them. Reason- he doesn't want to have them waiting two or three weeks to get an issues resolved, he would like to jump on it ASAP

811 talked to the group about special events and meeting coming up in April,

Old Business- None

New Business-None.

USIC- New Supervisor in this area, Jeremy Hussey, he stated they have a lot of work in the area and are working very hard to keep up. Shared his contact information with all and informed everyone to reach out to him with any issues.

Frontier Gas- Work load for # of tickets has increased over the last month. As for new work, none to report at this time.

The committee decided that they would like to meet every other month throughout the year.

The schedule will be May, July, September, November, January, March. The reason being is there is a low turnout and would like to build this UCC back up.

Meeting ended at 1:04 pm

Next meeting will be in May 2019
