# WHITE PAINT OR FLAGS ON A JOB SITE ELIMINATES GUESSWORK.

Sometimes it is difficult for excavators to relay the exact location of their dig sites to the one call center. Even clear and accurate information relayed in writing or verbally to one person may not be clear to another. With white lining, locators have excavation information on paper, and also have a clearly marked excavation area. White lining helps to avoid misinterpretation and allows for more accurate locates.

McDowell May 2018 UCC Meeting

Location- Countryside BBQ, LLC

Date-May 21<sup>st</sup> 2018

Time-11:30 AM to 12:20 PM

Attendance---

Brian Morehouse—NC 811

Rick Gosnser- PSNC

Ricky Berrier- City of Marion

Tom Brookshire- PSNC Energy

Rodney Roland- REMC

Fred Little- NCDOT

Old Business- None

New Business--- Discussed issues with No white lining when tickets are called in for contractors with the state, the tickets are hard to understand and follow.

REMC spoke about issues with no one marking / locating telephone drops for AT&T, seems to be a regular issues and they have tried to reach out and speak with the locating company.

City of Marion- No major projects, working on maintenance of water and sewage in the area

PSNC Energy- Starting new project that will consist of 35 miles of construction, that will cover countryside and also road shoulder through Rutherfordton, Marion area. Project starts in July and should end in March 2019

Rutherford EMC- Work being done on 221, large project out towards Lenoir area and general maintenance throughout their service area.

Presentation was given by Brian Morehouse- NC 811- White Lining, how and what is needed to have a successful project.

During presentation, went over the numbers for the McDowell area and the difference in (3) Hour tickets and an Emergency Ticket, along with Update tickets. How to call each in and answered all questions on the matter.

Meeting ended at 12:42 PM.

Next Meeting will be June 19<sup>th</sup> 2018 at the same location, and time
