Mecklenburg County UCC Meeting  
September 2019

Meeting opened by Chair, Roger Richards at 10:06 am.

Level one safety given by Bill Abernathy, Piedmont Natural Gas.

Self-introductions were made around the room.

NC811 presentation given by Tami Stout.

Segra is merging certain areas. If you need any assistance, please reach out to Kevin Comalander.

Roger spoke about getting emails about tree planting from Duke Energy that mentioned calling NC811. He talked about what a great idea the email was. It went out to residential customers.

Damages-

Sanders Utility is almost finished with project on Kingston.

Question from the group about three hour tickets-will they be available on the app (for 3 hour ticket entry). Yes

Audit question-will any more tickets because of the new law reference to emergencies. As of right this moment, no. Currently at over 40% on audits for RTE. If you see any emerging issues, please let NC811 know.

Ray asked if three out tickets go out to everyone. Other utilities are still getting notifications when a three out goes out to a particular facility.

Discussion about update tickets and how they are handled. Who handles, etc? Subs listed on the ticket need to be able to contact the contractor and the locators need to be able to contact the contractor and subs. Need good numbers from everyone.

City of Charlotte-

Thirty-one water line hits plus fifteen sewer. Four were not marked/mismarked.

Piedmont Natural Gas-

Fifty-seven damages for the month of August.

Segra-

Three damages in September due to directional drilling.

PRG-

Thirty damages to report for the month of September. Six had no locates.

October meeting is October 30 at Piedmont Natural Gas.
