Moore County UCC Meeting  
August 2019

Meeting opened by Chair, Jamie Yow.

Self-introductions were made.

Safety moment-Remember to utilize 811. Call prior to excavation. Do not strike utility lines. Start your utility coordination early to give utility owners time to move lines. Pay attention to signs of a gas leak inside the home. A smell of mercaptin (rotten egg scent), flickering lights, hissing noise. Exit the structure immediately and call 911 and your service provider.

Also a reminder about back to school. Look for kids. New students and new drivers. Allow extra time.

NCDOT-

Roundabout on Hwy 2/22 appears to be going well. Bridge at High Falls/NC22 started. The Morganton Road/Hwy 15/501 project is coming up. Aberdeen Lake/US 1 mid-block crossing project is still on the books. US 15/501 in Aberdeen/Southern Pines is scheduled to start in November of 2019. At this point nothing has been moved.

Piedmont Natural Gas-

Business as usual. Working on short extensions and retiring services. No large projects coming up at this time.

Town of Southern Pines-

Wisconsin Pipe Project is almost complete. Hiring new staff.

Moore County-

Mostly developer projects ongoing at this time. For future, East Moore Phase 4 (south of 73) for water line installation. Juniper Lake Road, Esther Road. Vass will be installing sewer to areas currently without sewer service.

Dixie Pipeline-

Business as usual. Stump grinding, mowing right of way, and still completing repairs from hurricane damages from 2018. Lot of water still in areas that need repair.

Windstream-

Upgrades on Underwood Road. Overlay project in Aberdeen. Subdivision Sandy Springs doing work.

NC811 presentation given by Tami Stout.

Next meeting Wednesday, September 4 at NCDOT office in Carthage.
