Moore County UCC Meeting
December 2018

Meeting opened by Chair, Jamie Yow.

Review of November meeting-

Southern Pines should be done with 42" line in December. Charter/Spectrum-needed construction dates for relocation projects.

Safety moment-

Candles and Christmas trees. Make sure if you light candles that all of them are extinguished prior to leaving your home or going to bed. People light several then forget what they have lit. The one you forget to extinguish is the one that starts a fire. Also, if you use a real tree for your Christmas decoration, make sure to keep it watered and check all electrical decorations for frayed wires that could ignite décor or a tree. Turn off all tree lights when you are not at home and prior to going to bed.

NCDOT- (Jamie)

The roundabout for Hwy 2/22 in Southern Pines is set for February. The mid-block crossing/median crossing is set for March of 2019 at Aberdeen Lake. US1/501 to start in November 2019. Nothing has been started yet. They will mill down at the curb. Drainage will be upgraded, bulb outs added on US 1. US 501 will be widened. In Carthage, there will be widening and sidewalks. A number of utility poles and drainage work to be done as well (Jan 2020). NCDOT has been very busy over the last few days working on winter prep. Due to hurricanes and severe weather, winter prep had been on hold. Now trying to catch up.

Piedmont Natural Gas-

Working on services. No major projects. Camp Easter when the project comes due. Hwy 2/22 they are hoping to stay in place and not have to move any lines.

Dixie Pipeline-

Still waiting for water levels to recede to check lines. Working on washouts. No major projects.

Town of Southern Pines-

Sand Davies is 25% complete. Still working on some clean up. Preparations for winter are in progress.

Charter-

Doing work in subdivisions. East Lake Drive, newest section in a while. Summerfield/Seven Lakes are coming up. Other projects are smaller.

NC811 presentation given by Tami Stout.

No meeting in January due to holiday. Next meeting February of 2019 at the DOT office in Carthage.
