*Use the UCC Issues form to voice your concerns
to both local and state level UCC meetings in North Carolina.
Available on both the NCUCC website and the NC811 app.*

Moore County UCC
March 2019

Meeting opened by Chair, Jamie Yow at 2:07 pm.

Review of February minutes.

Safety-

De-stress. Get up, walk around the building. Stretch your legs, give your mind a few minutes away.

NC DOT-

Reminder that if you see someone working unsafely, please let DOT know. Greg witnessed some workers at the edge of the pavement, no lane diversion. One to one rule. Five feet deep, five feet away from the pavement. There are not enough personnel to check every site.

DOT-roundabout 2/22 project awarded. Golf tournament will hold this project until June of 2019. Bridge at NC22/High Falls let in February. Awarded. Should start soon. New bridge built by existing. 15/501 turn lane extension to let in April. Mid-block cross to let in May of 2019 (US1 @ Aberdeen Lake). 211 towards Raeford (Plank Road/Army Road) to install signals. Having trouble getting water lines located in Carthage area. Old lines, pvc, asbestos, steel, abandoned. No one knows where the lines are located. *If you are emailing and have not heard from anyone after two emails, it is time to start making phone calls.*

Windstream-

Fiber from Roseland to Patterson Store. Water treatment plant has requested fiber. Bethesda near the cemetery will probably be buried to the railroad tracks and then go aerial.

Dixie-

Side trimming. Business as usual.

Piedmont Natural Gas-

Wisconsin Service Road project-needs let to contractors. Maye Street near new apartment/condos.

NC811 presentation given by Tami Stout.

Next meeting April 2019 at NC DOT office in Carthage.
