

Northwest Triad UCC
Piedmont Natural Gas
2300 Lowery St
Winston Salem, NC
March 23, 2017

Kevin Sell welcomed everyone to the meeting. He went over of facility usage and emergency areas. Kevin also shared the Level I with the group.

We will meet at Piedmont Natural Gas in Winston Salem the rest of 2017 meetings. We had planned on meeting at Duke but there have been some changes for this year.

Jeff shared the NC811 Report for March 2017. NC 811 is celebrating their 75th anniversary. NC811 will be giving out tee shirts and playing cards (with information on them) for their anniversary. Jeff shared the NC Underground Damage Prevention Review Board Process. Board reviews the information provided by the parties and determines whether a violation occurred or if there is insufficient evidence.

There is a new app now on NC811 for the "Good Thru and Update".

811 has partnered with Lowes. The message "Call before you dig" will be on their 1.5 million tree wraps.

Thank you all for the round table discussions.

The next meeting will be May 25, 2017 at Piedmont Natural Gas, 2300 Lowery St, WS.

Please let Kevin Sell or Terry Johnson if you would like to bring or add anything to the next meeting.
