One subdivision has a PRIVATE LP Gas line owned by Blossom LP, Summer Hills Farms is the subdivision. It was noticed by the Town of Davie County. They reached out and called that company after getting the information off of the LP Gas Tank. They were advised to call a locator that the number was given to them by Blossom. They did so. Then were told they were a private locator and the Town of Davie County would be charged. They reached out to Blossom and informed them of this issue.

USIC had many props for the work they are doing in this area and keeping up with the work load as needed. Reported by those in attendance that USIC is always on time and there when reached out too.

Unitec it was reported is very behind on getting tickets marked and not being able to get locates marked on time. It was asked if NC811 could reach out to them, as it was stated that Brian Morehouse would. Brian Morehouse gave Tim Patrick, Supervisor for Direct Sat to the group to try and help them out in getting information about locates needed marked.
