Howard Corey opened the program with acceptance of the minutes and introductions.

He discussed the ticket counts for the Pasquotank and Camden County. Discussed the benefits of using remote ticket entry and the mobile app. We viewed the excavator testimonial video and discussed to make sure everyone knows you have to have your own locate ticket and to never work under someone elses locate ticket. Howard showed us how to access "Can you dig it" game on the mobile app. Discussed the partnership with Lowes Home Improvement to support NC 811 by adding tree wraps to their trees. Howard discussed the NC underground damage review board process. For more information please contact: NC811 Member Services Dept. at 336-854-8597 / [dirt@nc811.org](mailto:dirt@nc811.org).

Other ticket information and NC One Call information can be found on their web site at ([www.ncocc.org](http://www.ncocc.org)).
