Update your NC 811 app.

1. Touch the sandwich icon in the upper left.
2. Open App Settings.
3. Touch “Check for New Content”

PLEASE NOTE

If the diameter or width of the facility is greater than four inches, the dimension of the facility shall be indicated at least every 50 feet in the area of the proposed excavation or demolition. An operator who operates multiple facilities in the area of the proposed excavation or demolition shall locate each facility.

The operator's identity, marked as provided in subdivision (1) of this subsection, in the area where the proposed excavation or demolition is to occur. At a minimum, the operator's identity shall be marked at the beginning point, at intervals of 200 linear feet, and at the end point of the proposed excavation or demolition.
