Minutes for Randolph County UCC monthly meeting

Randolph EMC

879 McDowell Rd.

Asheboro NC 27204

**Meeting called to order by Shad Brady at 1:30 P.M.**

**Meeting topics:**

Shad Brady with RTMC asked if anyone could offer help with a subaqueous locate as he needs to know the depth of his line under Deep River. The Group offered suggestions, and Terry with PRG will check with his contacts and get back to Shad.

Shad spoke on heat safety and being careful in the extreme heat. He also requested that he be informed if anyone sees his employees not following proper safety procedures.

Mike Pratt with USIC spoke of employee causing a traffic accident by pulling in front of another vehicle at a stop sign. There was no injury, but USIC received a citation for running the stop sign.

DJ with the City of Archdale spoke of the great number of people he noticed on the phone as he was on the way to the meeting and what a safety hazard that presents. Shad inserted a reminder of not working on computers while driving.

**Ongoing projects:**

Shad with Randolph said they had nothing major going on, just standard projects at this time.

Lee with N.C.D.O.T. also said they had nothing major right now and he spoke on some of the ongoing projects and some that are coming up for the D.O.T.

Shad inquired if anyone knew what project was happening behind the old Dodge Dealership. Franklin Hodges with the D.O.T. said he would send Shad a copy of plans for a project that might include that area.

Shad with Randolph Telephone said they will now locate both sides of the road when the D.O.T. is doing maintenance on drain culverts regardless of what the ticket request. Mike Pratt with USIC said they do locate only what's requested. There was much discussion among the group on locating practices.
