Your Marks Matter

Accurate locate marks can prevent service disruptions, fines, personal harm and other unintended damages.

LSAW
Locator Safety Awareness Week

Locator Safety Awareness Week April 22 – April 27

Established in 2014 by Infrastructure Resources and endorsed by Nulca, LSAW addresses the need to keep our locators safe on the job. Take the opportunity during this week to acknowledge the locators you work with and let them know how much you appreciate the difficult, challenging, and sometimes dangerous work they do protecting our underground utilities.

#LSAW

April is Distracted Driving Awareness Month

Every seven seconds someone is injured in a car crash and every 15 minutes someone is killed in one. Employers absorb costs associated with these crashes whether they occur on or off the job. Workplace policies and employee education can help protect your employees, your organization and your community.

93 Year Old Max Chapman Still Supporting Damage Prevention

NC811 recognized Max Chapman as a Damage Prevention Ambassador at the Burke Caldwell Utility Coordinating Committee Meeting on Tuesday, March 12th . Mr. Chapman is 93 years young, but does not let that stop him from being a vital part of his local UCC. Ann Rushing, Education Manager stated, “Mr. Chapman is an inspiration to us all. He has spent his entire life giving back to the community and does not let anything stop him from continuing his service. He richly deserves the great distinction of being a Damage Prevention Ambassador”.

April 9, 2019

Randolph County UCC Meeting
879 McDowell Road
Asheboro, NC

Meeting Time: The meeting was called to order by the chairperson, Judy Adams. Introductions were made and the meeting was started.

Total Members Present: There were Six members.

Recent Damages: There were no significant damages that this group were aware, within Randolph County, since our last meeting. Mike Lamping, did state that they have incurred some recent small damages.

New Business and Projects:

There were no members whom had any recent or new projects to discuss. With only six members present, the group had limited amount to discuss.

NC811 Presentation:

Kevin Smith gave the NC811 presentation. Kevin emphasized the importance of not driving while being distracted and for contractors to download the safe digging toolkit on NC811 website. Kevin stated contractors can assist in the efficiency of the *Contractors, reach out to your area locators and with good communication, let them know where you are actually working for the week.

General Discussion:

General conversation about the amount of locate tickets being requested and the inability of locators to fulfill the requests. Concerns with the group as to what the answer is in actually a long term solution for this scenario. Discussion within the group as to Kevin leaving and if anyone knew of potential candidates for this position, please have them apply online.

Meeting concluded after the general discussion. (above)
