Richmond County UCC  
July 18, 2017

Meeting opened by Chair, Ted Cagle at 10:03.

Level 1 Safety

Chair, Ted Cagle, spoke about items used in the field for locating. Reminder that just because you see a marker doesn't mean that the gas line runs directly under it. If you see one marker, there should be another in your line of sight. Reminder of yellow paint for gas lines. White paint/flags for excavation area. Ted showed several items. Markers, tracer wire, tape, and marker balls. PNG uses tracer wire buried with plastic. Use ditch tape on everything that isn't drilled.

1<sup>st</sup> line of defense is 811. Always make the call before any excavation.

2<sup>nd</sup> line of defense is marking tape/marketing ball. A locate ball is used when you can't hook up to anything. PNG is using marker balls when doing retirements and tapping.

Sewer/water/power/gas/cable have coil of wire that give off different signals to be able to locate different utilities.

PNG-Hawthorne/Robinson/Randolph 4" line. Work has to be completed prior to start of school.

Sandhill Road off Eason-replacing steel with plastic. 8" line.

Plans in to move the Rockingham City Gate. Cascade Tissue-Eason/Bird toward sewer treatment plan and put in new regulatory. Line 1 at Vulcan replacing transmission line-one mile. Entwistle-finishing service. Caroline Street-starting work soon. Fittings ordered, rerouting line. Gin Mill-across to McCahan Forest-drilling and replacing line in next few weeks. Trinity on 177-tie in to 4" on County Road across 177 and down 2" across 177.

John Parsons-Working on retirements and transmission projects.

City of Rockingham-Construction meeting in August-replace the Holly Brook pump station. Replacing manhole covers. New sewer line 220@ bypass has to be lowered.

Town of Hamlet-resurfacing at Spring Street and doing handicap ramps. Green Street @ Pine/Monroe expansion of global packaging to building. Site prep work going on now.

DOT-Bridge work. 2 bridges. Mill Stone. No utilities detected. Inviva still coming but no information to update.

US1 project is still on in front of the race track. Roundabout in Laurinburg at 144/501.

NC811 presentation give.

Next meeting September 21<sup>st</sup> at PNG.
