Bad Weather Driving Tips

- Inspect their vehicles before departing. Check tires, lights, turn signals, wipers, windows, defroster, mirrors and loads. Report defects to the mechanic and have them repaired before you go on the road.
- Keep windows and lights clean and clear of dirt, snow, and ice.
- Use wipers, defrosters, and headlights to improve your visibility day or night. Headlights also help other drivers see you.
- Avoid distractions, such as cell phones or radios.
- Watch out for puddles and icy patches that could cause hydroplaning or skids.
- Do not attempt to drive through deep puddles. You could get stuck or wet the brakes.
- Avoid quick or sudden stops or turns.
- Increase your stopping distance.
- Wear your seat belt at all times and require passengers to do the same. There is no time for mistakes during bad weather. Bad weather affects all drivers. You must stay alert. Watch out for the other drivers, too. Drive defensively!

- DOT / Donald Griffith: Buzz word “Project Delivery”
 - Stay Alert signs – put distance specs/mark locations
 - PNG – valves: please make accessible, a lot are paved over. Communicate w/DOT to make sure the valves are accessible
 - Contractor may not want to be inconvenienced but they should contract utility owner

- Damages: PNG: Kevin Thomas spoke about coating on steel line. If it’s compromised at all, chipped, etc... notify PNG
 - Tami Stout added there was an explosion due to a steel line being “nicked” and leading to the problem
 - City of Monroe: 1 hit, destroyed marks. Also a 15” sewer main was hit Monday night. It was an accident but created a bad situation
 - PNG had 7 hits, 5 with no locates

- Major projects: bring them up at the 811 meetings for discussion
- Get contractors in for April meeting, guest speaker will be an attorney
- PLEASE report damages. It is required by NC Law!!
- Challenge: How much did it cost utility owners for locates in 2018 for Union County?

Being made aware of the cost involved could make contractors and subs understand the importance in ending locates as soon as possible

Mecklenburg 811 meeting had question: "How much did 811 make on locates? **811 is non-profit**"

April guest speaker is an attorney – should be very informative!!!

Thanks to NC811 for sponsoring breakfast today! Our next meeting will be March 6. See you then!!
