Minutes March 7, 2018

Call to Order by Samuel Gonzales

- Welcome
- Introductions
- We had 48 guests at the February meeting!
- This is Johnny Brock's (DOT) last meeting – we wish him well in his new endeavors

Guest Speaker: Dave Beaver with National Trench Safety, VP of US Operations

-In 1978 he was buried in a 12' trench, it took 45 minutes to free him. Things have since changed, there is more focus on safety and OSHA Regulations

-Despite the changes we're worse now, in 2016 more were killed than in 2014 & 2015 combined. * 23 killed in 2017

-We need to change the culture. Have 1 person on each crew that will enforce safety rules and others will follow

-You can shore any size hole

-Guidance is needed – with site specific engineering we can do that too

-We have ancillary products

-Also OSHA 10 / 30, confined space CPR, Safety, etc.

-We do site safety evaluations

Sam Gonzales:

-Please let Sam know if you have a guest speaker – let's make the meetings interesting!

Tami Stout:

- Stats slide presentation
- The number of tickets and transmissions is up
- April is Safe Digging Month
 - There is a tool kit on the website
 - Let Tami know if you want a banner
- 811 meeting calendar available on website

Samuel Gonzales:

-Damages:

TWC/Spectrum YTD has had 148 hits, down 41% from last year. Contributing that to UCC meetings and 811 training.

Suggest having top callers come to UCC meetings. We need to spread the work and educate, educate, educate

Charter will reach out to top callers to come to meetings

PNG – had 6 hits: 4 w/no locate, 2 hit marked lines and 1 no locate

Town of Wingate – 1 homeowner hit. Some service lines are not deep but builders do grading and cause issues
Union County – some hits were because of the bypass
USIC has seen a drop in emergency locates
Electrocom were invited by Comporium to come

--Bring contractors in—Sam and Tami are discussing having one month for everyone to bring in a vendor

April is Safe Digging Month / Safe Digging Suggestions:

- Last year we planted a tree @ a local school; we will look at Unionville to plant a tree this year. We supply the tree and plaque and have a presentation to education the kids. They are our future
- Please send any suggestions to Tami

Comporium is finished with their big project and are only working in the subdivisions now

Thank you PNG for February breakfast!
