

## Wayne County UCC

### Minutes

October 22, 2019

- Eddie Sykes called the meeting to order and conducted a Level 1 Safety Briefing.
- We did not have the minutes from the last meeting to review.
- Howard Corey gave a presentation from NC811 (see attached).
- New Projects:
  - DOT
    - Replacing approx. 10 pipeline crossings damaged from the hurricane.
    - Mark Edwards Road – bridge replacement
    - Williams Street corridor.
  - City of Goldsboro
    - Center Street – Spruce to Elm – upgrading utilities.
  - Piedmont Natural Gas
    - Williams Street widening – installing a 4” main along the road.
    - Elm, Gully and Beal St – performing camera work on sewer mains for cross bores. Also replacing 1,700’ of 2” steel with plastic.
    - Center Street – Spruce – 4” steel to be retired, 2” plastic installed for future development.
- Next meeting will be January August 28, 2020.
