Thanksgiving in 2020

Thanksgiving is a time when many families travel long distances to celebrate together. Travel increases the chance of getting and spreading the virus that causes COVID-19. Staying home is the best way to protect yourself and others. If you must travel, be informed of the risks involved.

Lower risk activities

- Having a small [dinner](#) with only people who live in your household
- Preparing traditional family recipes for family and neighbors, especially those at higher risk of severe illness from COVID-19, and delivering them in a way that doesn't involve contact with others
- Having a virtual dinner and sharing recipes with friends and family
- Shopping online rather than in person on the day after Thanksgiving or the next Monday
- Watching sports events, parades, and movies from home
