It takes time to adjust to working in heat. Work with your supervisor to gradually increase your work load and heat exposure.

Safety Tips for working outdoors this summer

COVER UP AND PROTECT

Wear light, loose-fitting clothing, UV rated sunglasses, and a wide-brim hat. Apply sunscreen with a Sun Protection Factor (SPF) of at least 30 and UVA / UVB protection. Re-apply every 2 hours and after sweating.

Trench Safety Stand Down Week | June 14–18, 2021

Make plans for your company to participate in this year's NUCA Trench Safety Stand Down Week. Being a part of our popular 5th annual TSSD Week will help educate your employees on trenching hazards at the jobsite.

OSHA's National Emphasis Program on Trenching and Excavation is a high agency priority. NUCA and OSHA have teamed up again this year for our annual trench safety program. More than 32,000 employees on 3,500 jobsites participated in the 2020 TSSD.

Every company or organization that holds a TSSD will receive a certificate of participation, as well as hard-hat stickers for every employee who participated. Recognition will also be given in NUCA publications. Please plan for your company to be a part of this vital industry safety event this year.
