A message from our Executive Director

Virtual Southeastern One Call Systems (SOCS) meeting
September 9. SOCS includes Board members and staff from the
one call centers in the Southeast.

I want to stress the importance of these UCCs with the purpose
to share contacts and work taking place for the purpose of
improved communication.

If you know someone who is not participating, please ask them if
they mind sharing their email to get notifications about the
meetings.

Fall means an increase in homeowner activity. Expect to see the
“September bump”

Still hot out there: stay safe, stay hydrated and remember that
safety is a shared responsibility.

Louis Panzer

Is an update needed?

NC 811 wants to remind excavators that it is important to remember only update tickets when the work is continuing past the 15 working days. We know there are some projects that have been suspended or otherwise postponed. If this applies to you, please make certain to STOP updating the tickets for those jobs.

When the job resumes, start a new ticket three full business days prior

or update the existing ticket in RTE if within 90 days.

Watch this short video about excessive updates
