Durham UCC

- As we close down the year, we are grateful for you! By attending UCC meetings you are a true partner in damage prevention.
- An 811-system study was published and though it was flawed, it did place NC in the top quartile. You can view the study at the coalition website: www.ipcweb.org.
- UDPRB is working through processes as we continue to improve the fair and balanced approach to enforcement.
- Despite Omicron we are still hopeful 2022 will bring us all closer together!
- Wishing you and yours the very best Christmas and New Year's!
