

Virtual UCC Meetings

1. Follow these video instructions to find your virtual meeting link and how to make the most of the meeting in the new MICROSOFT TEAMS platform.
<https://www.youtube.com/watch?v=GC5zGkdxqb0>
2. In the chat section please type your name, company name & email.
3. Participant feature - raise hand. The meeting facilitator will acknowledge you.
4. Enter the meeting with your microphone on mute and unmute your mic when you need to speak.
5. Every meeting will be recorded, and the video will be posted on the ncucc.org website. You can watch the meeting by using the video link provided on ncucc.org. Visit your county UCC page for a listing of past meeting videos.

Moore UCC

- New revise update allows for 3-hour tickets to be only sent to specific members who fail to respond.
- PHMSA grant received for Spanish billboards and research.
- New report will be issued based on survey and data by end of the year.
- Enforcement Board reviewing process for penalty assignment.
- LRPC will continue to review trends that are disruptive to the 811 process.
- Happy Thanksgiving to everyone!

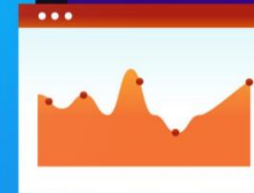

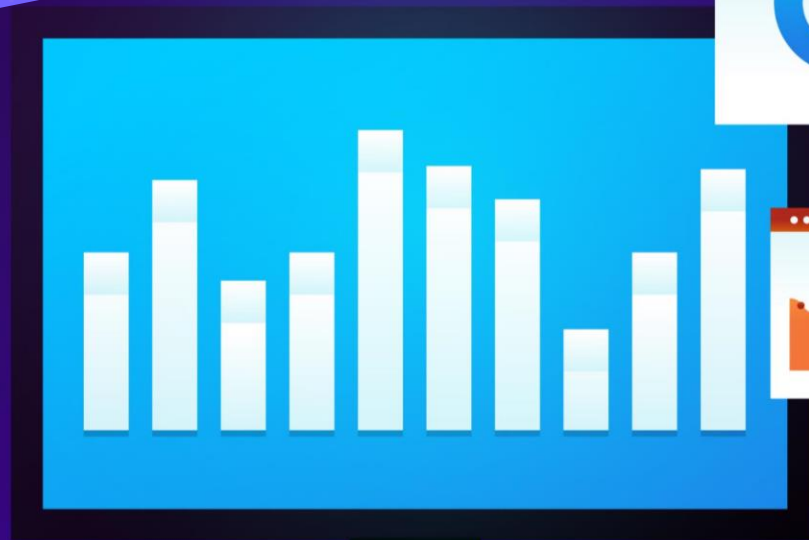

A person wearing a blue suit jacket and a light blue shirt is holding a white rectangular sign. The sign contains text in a dark blue font. The background of the slide is a light gray grid pattern.

Thank you for your time and attention.
You can get a PDF copy of this presentation
at

www.ncucc.org

If this meeting was virtual, a video of the meeting is available at ncucc.org. Go to County UCC's. The video will be listed under the month and year the meeting took place.

00:00:00.000 --> 00:00:03.440

Parrish Reddick

You gotta sign in. Jamie signed then yeah.

00:00:04.830 --> 00:00:11.730

Parrish Reddick

Turn off your phone and I grab your info and add you to you. Want both of the elements and Randall.

00:01:24.070 --> 00:01:26.370

Parrish Reddick

Online right now. So or hybrid.

00:01:28.090 --> 00:01:28.550

Yow, James D

K.

00:01:30.650 --> 00:01:32.910

Tami Stout

Gentlemen, I have started the recording.

00:01:34.350 --> 00:01:52.930

Tami Stout

David Tower may join us. I don't know Jamie. If you were Trent New David, he worked with DOT for a long time. He has he's left D OT and going to work for Colliers engineering. He had another call at 2 so he may Pop in if he's out of that call.

00:01:53.320 --> 00:01:53.740

Yow, James D

K.

00:01:55.970 --> 00:02:02.360

Tami Stout

And I'm gonna leave it up to you as since it's the four of us. I'm popped straight through to.

00:02:02.410 --> 00:02:07.260

Tami Stout

Uh, just hit the highlights. I'll do whatever you want to do.

00:02:08.050 --> 00:02:10.820

Yow, James D

I don't, I don't hide anything. Tami oh.

00:02:12.390 --> 00:02:13.820

Yow, James D

A special that I can think of.

00:02:13.870 --> 00:02:14.220

Yow, James D

Of.

00:02:15.370 --> 00:02:16.760

Yow, James D

Trent, you have anything?

00:02:17.450 --> 00:02:18.780

Caviness, Trent E

No, I think I'm good.

00:02:19.390 --> 00:02:21.200

Tami Stout

Come on Trent were depending on you.

00:02:21.730 --> 00:02:22.960

Caviness, Trent E

No, I'm sorry.

00:02:23.870 --> 00:02:24.670

Tami Stout

Dang it, man.

00:02:24.720 --> 00:02:24.930

Tami Stout

And.

00:02:28.960 --> 00:02:35.370

Tami Stout

Well then I'll pop over real quick and talk a little bit about this.

00:02:38.740 --> 00:02:40.210

Tami Stout

Note from Louis.

00:02:40.860 --> 00:02:53.920

Tami Stout

Uhm, so one thing that we've changed is there's a revision that allows 3 hour tickets to only go out to specific members who haven't responded, so.

00:02:54.770 --> 00:03:02.030

Tami Stout

Basically, if you have water, gas and electric and the only person who hadn't responded was gas.

00:03:02.600 --> 00:03:14.290

Tami Stout

Then now there's a way to go in and only send the notice to gas. You're not sending it to all three of them for a 3 hour ticket, and then the other two sitting back and going. Well, we already came out and marked. Why are you saying this?

00:03:14.970 --> 00:03:38.020

Tami Stout

So that's, uh, a neat little tool we have received a fimsa grant for Spanish billboards and research, so we're gonna do six billboards in Spanish in areas that are heavily populated by Spanish speaking. Folks. Really, really excited about that because.

00:03:38.690 --> 00:03:43.790

Tami Stout

You know so much of the labor force is folks who speak Spanish and we want to be able to.

00:03:44.710 --> 00:04:14.720

Tami Stout

To reach out to them two we all of our our pipes plus or excavation guide. The color code cards. Those things are in English and Spanish, but you know a billboard kinda is an eye catcher, so hopefully we're gonna get some traction out of that. We're really grateful for that FEMSA grant a new report will be issued based on survey and data by the end of the year. So Louis, our executive director has been working with.

00:04:14.980 --> 00:04:41.550

Tami Stout

Doc Doctor Ahmad Al Bayati from Western Carolina and they conduct an annual survey of excavators and then that, paired with positive response data, they used to produce an annual report. They you can see previous reports on the incident analysis page on our website. It's a satisfaction survey and questions about locate timing and accuracy.

00:04:42.730 --> 00:04:57.010

Tami Stout

The the other thing is the enforcement board is reviewing processes for penalty assignment, so I think what they're in Parrish? Correct me if I'm wrong. I think what they're trying to do is to make these.

00:04:57.740 --> 00:05:26.700

Tami Stout

Pretty much similar across the board. You know apples to apples. We're not going to. We're not going to spank your hand and then drop the hammer on somebody across the the road for doing the exact same thing, so the underground damage Prevention Review Board is having a process meeting to discuss how they are going to assess those penalties with a matrix that aligns those types of infractions with specific penalties at each occurrence.

00:05:28.070 --> 00:05:41.650

Tami Stout

The LRPC the Locate Resolution Partnership Committee that's been around for about five years now. We started out in 2016 when fiber really took off and locates were.

00:05:42.550 --> 00:06:01.460

Tami Stout

Like 4000 tickets behind around the state, so one of the things that we've done is we've worked with those stakeholders and and DOT is one of those stakeholders is to help. Kind of make sure that everybody is managing their work. If you're managing your contractors, they're not.

00:06:02.000 --> 00:06:30.880

Tami Stout

Uhm, updating tickets were the works been done or or putting tickets in where you haven't even gotten permits yet. So one of the things that they've done is really hit. Those update tickets really hard, so we're going to continue to review those, but we're also going to be looking at other trends that are disruptive to that 811 process, and then his other little note was happy Thanksgiving to everybody. And there's D talbert.

00:06:32.310 --> 00:06:48.700

Tami Stout

So typically we do a little safety reminder and we didn't really put a safety reminder in this month, but I'm trying to remind everybody you know, we always talk about Thanksgiving just if you're going to deep fry a Turkey, make sure that that Joker is.

00:06:48.970 --> 00:06:55.540

Tami Stout

Completely sold out and completely dry before you drop it down and not hot oil.

00:06:56.570 --> 00:07:04.710

Tami Stout

Make sure that if you have any leftovers, I know it at my people. There's not as many 'cause there's five of us girls.

00:07:05.400 --> 00:07:34.370

Tami Stout

Uhm, there's everybody. Got two daughters and now the the daughters are having kids and grandkids, so there's not typically as many leftovers left. But you know, if you have leftovers, let those cool completely before you try to refrigerate them, because if you put them in the refrigerator or freezer while they're hot, it's just a breeding ground for bacteria. And I don't. I don't want anybody getting food poisoning, so just just my little safety moment there.

00:07:35.290 --> 00:08:01.670

Tami Stout

Will pop over to locate requests and transmissions tickets for the month of October 200 and 4935. A, 5 almost, a five and a half percent increase over 2020. Transmissions are up 1,134,600 and 20. Almost a 3 1/2 percent increase.

00:08:02.830 --> 00:08:26.350

Tami Stout

Tickets year to date that's January 1 through October, thirty one, 1,987,052. That's an 8.4% increase over 2020 and pretty much for the past three years in and it'll be the same this year. We've hit 4,000,000 tickets.

00:08:27.100 --> 00:08:35.550

Tami Stout

If you go back to 2013 and think they're we started at 1.2 million, it has increased exponentially every year.

00:08:36.230 --> 00:08:49.060

Tami Stout

That's, uh, that's just a tremendous amount of work transmissions up as well. 11 million eighty 6871. A six point 1% increase.

00:08:50.350 --> 00:09:04.830

Tami Stout

Ticket data from Moore County up 17 percent. 14152 new tickets. Total tickets for Moore County for the month of October, 19101.

00:09:05.670 --> 00:09:22.460

Tami Stout

27.2% increase and if you look at those updates you can see a good chunk of that is coming from updates. 306 updates. Last year there were 145 so 111% increase in updates.

00:09:23.640 --> 00:09:28.040

Tami Stout

Average locates per day for Moore County or 86.

00:09:29.140 --> 00:09:57.210

Tami Stout

Ticket volume year to date. New tickets year to date for Moore County 12,800 and 1712.4% increase over last year and total tickets for more. Same thing. Those include retransmits and updates. 17,083 tickets for more. 15.2% increase y'all rocking and rolling over there.

00:09:58.860 --> 00:10:03.920

Tami Stout

Ticket distribution for Moore County. I had to go through and I've. I'm looking at it now.

00:10:04.820 --> 00:10:15.580

Tami Stout

Carthage Pinehurst Robin Southern Pines West End Aberdeen. All of those big chunks of putting that up towards 1600 plus tickets.

00:10:16.410 --> 00:10:23.600

Tami Stout

Uh, took out everything that was under 10, but you can still see work all over the place.

00:10:27.270 --> 00:10:35.710

Tami Stout

Calendar of events. The fourth quarter 811 board meeting will be Friday, January 21st. That will be a hybrid meeting.

00:10:36.390 --> 00:10:39.280

Tami Stout

Uh, maybe in Greensboro for part of it.

00:10:40.090 --> 00:10:52.450

Tami Stout

Contact Tonya at our office if you want to participate tonya@nc811.org, but as always, if you don't get this information, please reach out to any of those liaisons and will get it for you.

00:10:53.390 --> 00:11:09.380

Tami Stout

The next underground damage Prevention Review Board. Tuesday, January the 18th, 2022. That location is to be determined. It will start at 10:00 AM. Go out to the website udprb.nc.gov.

00:11:11.050 --> 00:11:30.610

Tami Stout

The next state UCC meeting is next Tuesday, November, the night. That is a teams meeting. It will start at 10:00 AM NC. ucc.org for a link. I am getting ready tomorrow morning will go out the reminder with an agenda.

00:11:32.970 --> 00:11:40.640

Tami Stout

And the next LRPC, December 15th. That's a teams meeting 11 to one again a calendar.

00:11:41.090 --> 00:11:43.960

Tami Stout

Uh, a link for that? Pages on our calendar.

00:11:45.650 --> 00:12:10.350

Tami Stout

Upcoming holidays Thursday, November the 11th Veteran's Day. Thursday, November 25th Thanksgiving and Friday, November 26th. Day after Thanksgiving, these are all observed holidays. Thanksgiving is actually the the one holiday that is the real holiday that that we take off. But we also recognize veteran's day.

00:12:10.400 --> 00:12:19.930

Tami Stout

Like thank you Parrish and family, Jamie Trent David. Don't know if you have any any folks that were military members, but we appreciate.

00:12:20.540 --> 00:12:44.510

Tami Stout

Uh, we definitely won't are military veterans do, and what their families do as well. Thanksgiving Day after Thanksgiving, so veteran's day and the 26th are observed holidays, we are open. We will take locate information, but it is part of an observed holiday, so those are excluded from that three day working. No, just just so, you know.

00:12:46.670 --> 00:13:07.660

Tami Stout

Information on NC 811 and NCUCC Ventspils at the calendar. Sectionofnc811.org or the NC 811 app, which as a reminder that app is a free download for Apple and Android users. I know everybody wants one more app on their phone, but it really is a handy little tool.

00:13:09.190 --> 00:13:19.030

Tami Stout

Check positive response, enter tickets, check calendar information, anything that you can do from your desktop. You can pretty much do from that that app.

00:13:19.640 --> 00:13:28.050

Tami Stout

Uh, that motley looking crew is your education team. Thank you Parrish for being here this afternoon. I'm not gonna run through everybody. Y'all seen this before.

00:13:29.920 --> 00:13:48.690

Tami Stout

Appreciate your time and attention again. A PDF copy of this presentation as a NC ucc.org and if this meeting is virtual, which it is video copy of. This will also be available if you want to share this TV show with any of your folks. I did check my lipstick before we started and it was on point.

00:13:49.900 --> 00:14:03.930

Tami Stout

I am going to stop presenting Jamie. I know that you and Trent said you didn't have anything new, but I am going to ask Mr D. Talbert to pop in and see if he has anything he wants to add.

00:14:06.570 --> 00:14:08.940

David Talbert

No no no no. I just jump on.

00:14:08.060 --> 00:14:08.670

Tami Stout

No.

00:14:10.790 --> 00:14:13.650

David Talbert

Uh, Jamie, how you doing, man?

00:14:13.960 --> 00:14:15.460

Yow, James D

I'm doing good. How about you?

00:14:15.670 --> 00:14:16.950

David Talbert

I'm doing pretty good.

00:14:17.680 --> 00:14:24.230

David Talbert

You know I I left from over 10 I'm not with the DOT no more. I went with Colliers Engineering now.

00:14:24.510 --> 00:14:28.040

Yow, James D

I didn't know that until Tami had had just let me know.

00:14:28.380 --> 00:14:30.090

David Talbert

Yeah, yeah.

00:14:31.340 --> 00:14:35.220

David Talbert

I really hated leaving, but you know, it is what it is.

00:14:35.400 --> 00:14:36.040

Yow, James D

That's right.

00:14:36.500 --> 00:14:41.530

David Talbert

But Oh no, we do about anything and everything. You know we.

00:14:42.740 --> 00:14:46.680

David Talbert

Logical transmission logical were PNG.

00:14:47.170 --> 00:14:51.040

David Talbert

From spectrum so.

00:14:51.550 --> 00:14:52.290

Yow, James D

I don't know.

00:14:51.770 --> 00:14:52.270

David Talbert

You know?

00:14:53.160 --> 00:15:01.640

David Talbert

Yeah, so you know I kind of got backing into the roots of where I was at with doing telephone engineering work so.

00:15:03.480 --> 00:15:06.160

David Talbert

That's kind of what I plus you see work.

00:15:07.090 --> 00:15:09.390

David Talbert

Little, that's about it, you know.

00:15:09.800 --> 00:15:10.490

Yow, James D

Sure.

00:15:11.570 --> 00:15:17.840

Yow, James D

Yeah, we've we've got some stuff with Piedmont Natural Gas, with Colliers on some other projects.

00:15:17.920 --> 00:15:20.650

David Talbert

Roy how those encroach must go on Jamie.

00:15:21.800 --> 00:15:22.790

Yow, James D

Uhm?

00:15:24.550 --> 00:15:26.820

Yow, James D

I mean it seems.

00:15:27.590 --> 00:15:29.610

Yow, James D

The same.

00:15:30.250 --> 00:15:38.690

Yow, James D

To sometimes take awhile I I guess I don't know if Piedmont Natural Gas is backed up or what, but it seems like takes awhile sometimes.

00:15:39.030 --> 00:15:39.600

David Talbert

OK.

00:15:40.790 --> 00:15:41.320

David Talbert

I'm gonna.

00:15:42.690 --> 00:15:47.300

David Talbert

I know if it was on our end or what, but thanks for that update there.

00:15:47.780 --> 00:15:52.380

Yow, James D

Yeah, sometimes I don't know. It just seems that Piedmont Natural Gas has a lot going on maybe.

00:15:52.910 --> 00:15:54.180

David Talbert

Yeah, they really do.

00:15:54.230 --> 00:16:06.160

David Talbert

Dude, I'm just looking at some encroachments all over the state for them right now. That's what I've been doing all morning and this afternoon, and you know how that goes when you look at those all day.

00:16:06.510 --> 00:16:07.470

Yow, James D

Oh yeah, that's great.

00:16:06.800 --> 00:16:08.100

David Talbert

Yeah, there's no cost.

00:16:10.380 --> 00:16:11.010

Yow, James D

Great.

00:16:11.790 --> 00:16:13.300

David Talbert

Yeah, turn.

00:16:15.250 --> 00:16:20.150

Tami Stout

So so pretty much what you guys are saying is job security all over the place.

00:16:21.520 --> 00:16:24.470

Yow, James D

From what I'm hearing, I don't know what everybody else is hearing.

00:16:25.190 --> 00:16:25.920

David Talbert

Not right?

00:16:26.400 --> 00:16:31.010

Tami Stout

I'll take it. I like eating pretty regular, so job security is good.

00:16:33.420 --> 00:16:47.960

Tami Stout

Jamie and that's that's all I had. That was pretty much all the excitement I'm gonna, you know, see again you were or Trent, or perish. I apologize, Mr Awesome, I didn't ask you if you had anything you would like to continue to add.

00:16:48.880 --> 00:16:50.950

Parrish Reddick

Now it's all good in neighborhood over here.

00:16:51.260 --> 00:17:08.630

Tami Stout

Are that's what I like to hear. Parrish and I are both out in the field right now. It, you know, it's supposed to be kind of yucky tomorrow, so he's gonna get a stay home. I'm gonna have to go out, but I went ahead and popped out this afternoon. Two, we, you know we got these marked vehicles and.

00:17:09.270 --> 00:17:27.850

Tami Stout

We turned around and then started working from home, but one of the things that we do is go out into a highly traveled, highly populated areas and post those cars up. I'm sitting at South Park Mall right now and he's a Hanes mall, so anybody that goes by is getting that message.

00:17:28.710 --> 00:17:29.240

Yow, James D

OK.

00:17:28.720 --> 00:17:31.700

Tami Stout

So we're we're trying to make them dollars work hard.

00:17:34.320 --> 00:17:36.560

Yow, James D

You almost have good Internet connection up there.

00:17:37.240 --> 00:17:38.590

Tami Stout

I I'm on hotspot.

00:17:38.990 --> 00:17:40.760

Parrish Reddick

I'm on my phone hotspot, yeah?

00:17:39.370 --> 00:17:39.680

Yow, James D

Ah.

00:17:40.840 --> 00:17:41.200

Tami Stout

Yep.

00:17:41.970 --> 00:17:42.680

Caviness, Trent E

I work too.

00:17:42.050 --> 00:17:42.410

Tami Stout

Yep.

00:17:42.250 --> 00:17:42.580

Yow, James D

Good.

00:17:44.740 --> 00:18:01.150

Tami Stout

Well, gentlemen, if you unless you guys have anything I I reckon will be same bat time same BAT channel

next month will continue to try to get participation. I I was pleased this morning with Union County. Had some folks I hadn't seen in a little while so.

00:18:02.070 --> 00:18:06.780

Tami Stout

I'm hoping 2022 will let us all get back together this.

00:18:07.650 --> 00:18:14.670

Tami Stout

It it was nice for the first couple months, but it's it's kind of a drag not to be able to get out and see people in person.

00:18:15.430 --> 00:18:17.010

Yow, James D

Yeah, I agree.

00:18:18.070 --> 00:18:18.680

Caviness, Trent E

Yes dear.

00:18:19.470 --> 00:18:19.990

Tami Stout

Yeah.

00:18:19.760 --> 00:18:20.690

Parrish Reddick

It's the new normal.

00:18:21.260 --> 00:18:22.410

Tami Stout

Sure, I don't like it.

00:18:24.300 --> 00:18:31.910

Tami Stout

Let's go, let's go a little bit. Let's go a little bit back the other way. I don't want completely back the other way, but I'll go a little bit back the other way.

00:18:32.660 --> 00:18:33.070

Yow, James D

Right?

00:18:33.390 --> 00:18:38.270

Parrish Reddick

Great, I'll go ahead and add you and Jamie to the Randolph UCC. When I get back into my house.

00:18:38.660 --> 00:18:39.750

Caviness, Trent E

OK, sounds good.

00:18:38.910 --> 00:18:39.640

Yow, James D
Thank you Sir.

00:18:40.220 --> 00:18:40.910

Parrish Reddick
Thank you.

00:18:40.460 --> 00:18:42.400

Tami Stout
Thank you Parrish Trent.

00:18:41.800 --> 00:18:46.100

Parrish Reddick
And in the Alamance, Orange, and Chatham one as well, is there any others?

00:18:45.250 --> 00:18:45.620

Yow, James D
Because.

00:18:48.030 --> 00:18:51.200

Yow, James D
I, I guess you said that you said Lee too, right?

00:18:51.960 --> 00:19:01.380

Parrish Reddick
Yeah Dooley, yeah, so here. Here's a great thing you don't have to wait on Parrish anymore. You can actually go to the NCUCC website and click under the different counties.

00:19:02.190 --> 00:19:22.460

Parrish Reddick
And at the bottom of the page, right above where the meeting minutes are stored right above the page, you can actually add yourself to each individual meeting that you would like to attend without having to wait on pairs. So if if you don't receive an invite, you know, go ahead and and again that is just another tool in your toolbox. You guys can use.

00:19:13.710 --> 00:19:14.120

Yow, James D
OK.

00:19:23.100 --> 00:19:23.510

Caviness, Trent E
OK.

00:19:23.370 --> 00:19:23.760

Yow, James D
K.

00:19:24.450 --> 00:19:24.850

Yow, James D

Alright.

00:19:25.590 --> 00:19:27.550

Parrish Reddick

Or can anybody else you won't do as well?

00:19:28.940 --> 00:19:29.450

Yow, James D

OK.

00:19:31.010 --> 00:19:32.650

Tami Stout

Trent, David Jamie.

00:19:33.250 --> 00:19:34.050

Tami Stout

Mr. Olson.

00:19:34.910 --> 00:19:48.840

Tami Stout

Y'all, I appreciate you please please be safe over Thanksgiving. Enjoy it. Eat some good Turkey. I told the sweetie on this end the his young ones are gonna be traveling my youngins or traveling. I said we could have a grilled cheese.

00:19:50.750 --> 00:19:51.180

Caviness, Trent E

Yeah.

00:19:50.790 --> 00:19:55.840

Tami Stout

He didn't like that. He said, even if we have a little Turkey breast, that'll be fun.

00:19:57.390 --> 00:19:58.560

Tami Stout

That means I'm cooking.

00:19:59.710 --> 00:20:00.420

Caviness, Trent E

Oh yeah.

00:19:59.930 --> 00:20:02.110

Parrish Reddick

I like pentosin cornbread myself.

00:20:00.000 --> 00:20:00.500

Yow, James D

That's right.

00:20:02.270 --> 00:20:03.360

Tami Stout

Oh yeah.

00:20:03.800 --> 00:20:04.570

Parrish Reddick

That's good meal.

00:20:04.910 --> 00:20:05.910

Tami Stout

I'm down for that.

00:20:07.860 --> 00:20:10.210

Tami Stout

Y'all, please take care. I'll see you next month.

00:20:10.670 --> 00:20:11.350

Yow, James D

Y'all too.

00:20:10.880 --> 00:20:12.350

Caviness, Trent E

Alright, see ya.

00:20:11.640 --> 00:20:12.230

David Talbert

Let's see.

00:20:11.810 --> 00:20:13.470

Tami Stout

Thanks bye.

00:20:12.120 --> 00:20:12.380

Yow, James D

Like

00:20:12.980 --> 00:20:13.380

David Talbert

But

00:20:19.640 --> 00:20:20.260

Tami Stout

Parrish

00:00:00.000 --> 00:00:03.440

Parrish Reddick

You gotta sign in. Jamie signed then yeah.

00:00:04.830 --> 00:00:11.730

Parrish Reddick

Turn off your phone and I grab your info and add you to you. Want both of the elements and Randall.

00:01:24.070 --> 00:01:26.370

Parrish Reddick

Online right now. So or hybrid.

00:01:28.090 --> 00:01:28.550

Yow, James D

K.

00:01:30.650 --> 00:01:32.910

Tami Stout

Gentlemen, I have started the recording.

00:01:34.350 --> 00:01:52.930

Tami Stout

David Tower may join us. I don't know Jamie. If you were Trent New David, he worked with DOT for a long time. He has he's left D OT and going to work for Colliers engineering. He had another call at 2 so he may Pop in if he's out of that call.

00:01:53.320 --> 00:01:53.740

Yow, James D

K.

00:01:55.970 --> 00:02:02.360

Tami Stout

And I'm gonna leave it up to you as since it's the four of us. I'm popped straight through to.

00:02:02.410 --> 00:02:07.260

Tami Stout

Uh, just hit the highlights. I'll do whatever you want to do.

00:02:08.050 --> 00:02:10.820

Yow, James D

I don't, I don't hide anything. Tami oh.

00:02:12.390 --> 00:02:13.820

Yow, James D

A special that I can think of.

00:02:13.870 --> 00:02:14.220

Yow, James D

Of.

00:02:15.370 --> 00:02:16.760

Yow, James D

Trent, you have anything?

00:02:17.450 --> 00:02:18.780

Caviness, Trent E

No, I think I'm good.

00:02:19.390 --> 00:02:21.200

Tami Stout

Come on Trent were depending on you.

00:02:21.730 --> 00:02:22.960

Caviness, Trent E

No, I'm sorry.

00:02:23.870 --> 00:02:24.670

Tami Stout

Dang it, man.

00:02:24.720 --> 00:02:24.930

Tami Stout

And.

00:02:28.960 --> 00:02:35.370

Tami Stout

Well then I'll pop over real quick and talk a little bit about this.

00:02:38.740 --> 00:02:40.210

Tami Stout

Note from Louis.

00:02:40.860 --> 00:02:53.920

Tami Stout

Uhm, so one thing that we've changed is there's a revision that allows 3 hour tickets to only go out to specific members who haven't responded, so.

00:02:54.770 --> 00:03:02.030

Tami Stout

Basically, if you have water, gas and electric and the only person who hadn't responded was gas.

00:03:02.600 --> 00:03:14.290

Tami Stout

Then now there's a way to go in and only send the notice to gas. You're not sending it to all three of them for a 3 hour ticket, and then the other two sitting back and going. Well, we already came out and marked. Why are you saying this?

00:03:14.970 --> 00:03:38.020

Tami Stout

So that's, uh, a neat little tool we have received a fimsa grant for Spanish billboards and research, so we're gonna do six billboards in Spanish in areas that are heavily populated by Spanish speaking. Folks. Really, really excited about that because.

00:03:38.690 --> 00:03:43.790

Tami Stout

You know so much of the labor force is folks who speak Spanish and we want to be able to.

00:03:44.710 --> 00:04:14.720

Tami Stout

To reach out to them two we all of our our pipes plus or excavation guide. The color code cards. Those things are in English and Spanish, but you know a billboard kinda is an eye catcher, so hopefully we're gonna get some traction out of that. We're really grateful for that FEMSA grant a new report will be issued based on survey and data by the end of the year. So Louis, our executive director has been working with.

00:04:14.980 --> 00:04:41.550

Tami Stout

Doc Doctor Ahmad Al Bayati from Western Carolina and they conduct an annual survey of excavators and then that, paired with positive response data, they used to produce an annual report. They you can see previous reports on the incident analysis page on our website. It's a satisfaction survey and questions about locate timing and accuracy.

00:04:42.730 --> 00:04:57.010

Tami Stout

The the other thing is the enforcement board is reviewing processes for penalty assignment, so I think what they're in Parrish? Correct me if I'm wrong. I think what they're trying to do is to make these.

00:04:57.740 --> 00:05:26.700

Tami Stout

Pretty much similar across the board. You know apples to apples. We're not going to. We're not going to spank your hand and then drop the hammer on somebody across the the road for doing the exact same thing, so the underground damage Prevention Review Board is having a process meeting to discuss how they are going to assess those penalties with a matrix that aligns those types of infractions with specific penalties at each occurrence.

00:05:28.070 --> 00:05:41.650

Tami Stout

The LRPC the Locate Resolution Partnership Committee that's been around for about five years now. We started out in 2016 when fiber really took off and locates were.

00:05:42.550 --> 00:06:01.460

Tami Stout

Like 4000 tickets behind around the state, so one of the things that we've done is we've worked with those stakeholders and and DOT is one of those stakeholders is to help. Kind of make sure that everybody is managing their work. If you're managing your contractors, they're not.

00:06:02.000 --> 00:06:30.880

Tami Stout

Uhm, updating tickets were the works been done or or putting tickets in where you haven't even gotten permits yet. So one of the things that they've done is really hit. Those update tickets really hard, so we're going to continue to review those, but we're also going to be looking at other trends that are disruptive to that 811 process, and then his other little note was happy Thanksgiving to everybody. And there's D talbert.

00:06:32.310 --> 00:06:48.700

Tami Stout

So typically we do a little safety reminder and we didn't really put a safety reminder in this month, but I'm trying to remind everybody you know, we always talk about Thanksgiving just if you're going to deep fry a Turkey, make sure that that Joker is.

00:06:48.970 --> 00:06:55.540

Tami Stout

Completely sold out and completely dry before you drop it down and not hot oil.

00:06:56.570 --> 00:07:04.710

Tami Stout

Make sure that if you have any leftovers, I know it at my people. There's not as many 'cause there's five of us girls.

00:07:05.400 --> 00:07:34.370

Tami Stout

Uhm, there's everybody. Got two daughters and now the the daughters are having kids and grandkids, so there's not typically as many leftovers left. But you know, if you have leftovers, let those cool completely before you try to refrigerate them, because if you put them in the refrigerator or freezer while they're hot, it's just a breeding ground for bacteria. And I don't. I don't want anybody getting food poisoning, so just just my little safety moment there.

00:07:35.290 --> 00:08:01.670

Tami Stout

Will pop over to locate requests and transmissions tickets for the month of October 200 and 4935. A, 5 almost, a five and a half percent increase over 2020. Transmissions are up 1,134,600 and 20. Almost a 3 1/2 percent increase.

00:08:02.830 --> 00:08:26.350

Tami Stout

Tickets year to date that's January 1 through October, thirty one, 1,987,052. That's an 8.4% increase over 2020 and pretty much for the past three years in and it'll be the same this year. We've hit 4,000,000 tickets.

00:08:27.100 --> 00:08:35.550

Tami Stout

If you go back to 2013 and think they're we started at 1.2 million, it has increased exponentially every year.

00:08:36.230 --> 00:08:49.060

Tami Stout

That's, uh, that's just a tremendous amount of work transmissions up as well. 11 million eighty 6871. A six point 1% increase.

00:08:50.350 --> 00:09:04.830

Tami Stout

Ticket data from Moore County up 17 percent. 14152 new tickets. Total tickets for Moore County for the month of October, 19101.

00:09:05.670 --> 00:09:22.460

Tami Stout

27.2% increase and if you look at those updates you can see a good chunk of that is coming from updates. 306 updates. Last year there were 145 so 111% increase in updates.

00:09:23.640 --> 00:09:28.040

Tami Stout

Average locates per day for Moore County or 86.

00:09:29.140 --> 00:09:57.210

Tami Stout

Ticket volume year to date. New tickets year to date for Moore County 12,800 and 1712.4% increase over last year and total tickets for more. Same thing. Those include retransmits and updates. 17,083 tickets for more. 15.2% increase y'all rocking and rolling over there.

00:09:58.860 --> 00:10:03.920

Tami Stout

Ticket distribution for Moore County. I had to go through and I've. I'm looking at it now.

00:10:04.820 --> 00:10:15.580

Tami Stout

Carthage Pinehurst Robin Southern Pines West End Aberdeen. All of those big chunks of putting that up towards 1600 plus tickets.

00:10:16.410 --> 00:10:23.600

Tami Stout

Uh, took out everything that was under 10, but you can still see work all over the place.

00:10:27.270 --> 00:10:35.710

Tami Stout

Calendar of events. The fourth quarter 811 board meeting will be Friday, January 21st. That will be a hybrid meeting.

00:10:36.390 --> 00:10:39.280

Tami Stout

Uh, maybe in Greensboro for part of it.

00:10:40.090 --> 00:10:52.450

Tami Stout

Contact Tonya at our office if you want to participate tonya@nc811.org, but as always, if you don't get this information, please reach out to any of those liaisons and will get it for you.

00:10:53.390 --> 00:11:09.380

Tami Stout

The next underground damage Prevention Review Board. Tuesday, January the 18th, 2022. That location is to be determined. It will start at 10:00 AM. Go out to the website udprb.nc.gov.

00:11:11.050 --> 00:11:30.610

Tami Stout

The next state UCC meeting is next Tuesday, November, the night. That is a teams meeting. It will start at 10:00 AM NC. ucc.org for a link. I am getting ready tomorrow morning will go out the reminder with an agenda.

00:11:32.970 --> 00:11:40.640

Tami Stout

And the next LRPC, December 15th. That's a teams meeting 11 to one again a calendar.

00:11:41.090 --> 00:11:43.960

Tami Stout

Uh, a link for that? Pages on our calendar.

00:11:45.650 --> 00:12:10.350

Tami Stout

Upcoming holidays Thursday, November the 11th Veteran's Day. Thursday, November 25th Thanksgiving and Friday, November 26th. Day after Thanksgiving, these are all observed holidays. Thanksgiving is actually the the one holiday that is the real holiday that that we take off. But we also recognize veteran's day.

00:12:10.400 --> 00:12:19.930

Tami Stout

Like thank you Parrish and family, Jamie Trent David. Don't know if you have any any folks that were military members, but we appreciate.

00:12:20.540 --> 00:12:44.510

Tami Stout

Uh, we definitely won't are military veterans do, and what their families do as well. Thanksgiving Day after Thanksgiving, so veteran's day and the 26th are observed holidays, we are open. We will take locate information, but it is part of an observed holiday, so those are excluded from that three day working. No, just just so, you know.

00:12:46.670 --> 00:13:07.660

Tami Stout

Information on NC 811 and NCUCC Ventspils at the calendar. Sectionofnc811.org or the NC 811 app, which as a reminder that app is a free download for Apple and Android users. I know everybody wants one more app on their phone, but it really is a handy little tool.

00:13:09.190 --> 00:13:19.030

Tami Stout

Check positive response, enter tickets, check calendar information, anything that you can do from your desktop. You can pretty much do from that that app.

00:13:19.640 --> 00:13:28.050

Tami Stout

Uh, that motley looking crew is your education team. Thank you Parrish for being here this afternoon. I'm not gonna run through everybody. Y'all seen this before.

00:13:29.920 --> 00:13:48.690

Tami Stout

Appreciate your time and attention again. A PDF copy of this presentation as a NC ucc.org and if this meeting is virtual, which it is video copy of. This will also be available if you want to share this TV show with any of your folks. I did check my lipstick before we started and it was on point.

00:13:49.900 --> 00:14:03.930

Tami Stout

I am going to stop presenting Jamie. I know that you and Trent said you didn't have anything new, but I am going to ask Mr D. Talbert to pop in and see if he has anything he wants to add.

00:14:06.570 --> 00:14:08.940

David Talbert

No no no no. I just jump on.

00:14:08.060 --> 00:14:08.670

Tami Stout

No.

00:14:10.790 --> 00:14:13.650

David Talbert

Uh, Jamie, how you doing, man?

00:14:13.960 --> 00:14:15.460

Yow, James D

I'm doing good. How about you?

00:14:15.670 --> 00:14:16.950

David Talbert

I'm doing pretty good.

00:14:17.680 --> 00:14:24.230

David Talbert

You know I I left from over 10 I'm not with the DOT no more. I went with Colliers Engineering now.

00:14:24.510 --> 00:14:28.040

Yow, James D

I didn't know that until Tami had had just let me know.

00:14:28.380 --> 00:14:30.090

David Talbert

Yeah, yeah.

00:14:31.340 --> 00:14:35.220

David Talbert

I really hated leaving, but you know, it is what it is.

00:14:35.400 --> 00:14:36.040

Yow, James D

That's right.

00:14:36.500 --> 00:14:41.530

David Talbert

But Oh no, we do about anything and everything. You know we.

00:14:42.740 --> 00:14:46.680

David Talbert

Logical transmission logical were PNG.

00:14:47.170 --> 00:14:51.040

David Talbert

From spectrum so.

00:14:51.550 --> 00:14:52.290

Yow, James D

I don't know.

00:14:51.770 --> 00:14:52.270

David Talbert

You know?

00:14:53.160 --> 00:15:01.640

David Talbert

Yeah, so you know I kind of got backing into the roots of where I was at with doing telephone engineering work so.

00:15:03.480 --> 00:15:06.160

David Talbert

That's kind of what I plus you see work.

00:15:07.090 --> 00:15:09.390

David Talbert

Little, that's about it, you know.

00:15:09.800 --> 00:15:10.490

Yow, James D

Sure.

00:15:11.570 --> 00:15:17.840

Yow, James D

Yeah, we've we've got some stuff with Piedmont Natural Gas, with Colliers on some other projects.

00:15:17.920 --> 00:15:20.650

David Talbert

Roy how those encroach must go on Jamie.

00:15:21.800 --> 00:15:22.790

Yow, James D

Uhm?

00:15:24.550 --> 00:15:26.820

Yow, James D

I mean it seems.

00:15:27.590 --> 00:15:29.610

Yow, James D

The same.

00:15:30.250 --> 00:15:38.690

Yow, James D

To sometimes take awhile I I guess I don't know if Piedmont Natural Gas is backed up or what, but it seems like takes awhile sometimes.

00:15:39.030 --> 00:15:39.600

David Talbert

OK.

00:15:40.790 --> 00:15:41.320

David Talbert

I'm gonna.

00:15:42.690 --> 00:15:47.300

David Talbert

I know if it was on our end or what, but thanks for that update there.

00:15:47.780 --> 00:15:52.380

Yow, James D

Yeah, sometimes I don't know. It just seems that Piedmont Natural Gas has a lot going on maybe.

00:15:52.910 --> 00:15:54.180

David Talbert

Yeah, they really do.

00:15:54.230 --> 00:16:06.160

David Talbert

Dude, I'm just looking at some encroachments all over the state for them right now. That's what I've been doing all morning and this afternoon, and you know how that goes when you look at those all day.

00:16:06.510 --> 00:16:07.470

Yow, James D

Oh yeah, that's great.

00:16:06.800 --> 00:16:08.100

David Talbert

Yeah, there's no cost.

00:16:10.380 --> 00:16:11.010

Yow, James D

Great.

00:16:11.790 --> 00:16:13.300

David Talbert

Yeah, turn.

00:16:15.250 --> 00:16:20.150

Tami Stout

So so pretty much what you guys are saying is job security all over the place.

00:16:21.520 --> 00:16:24.470

Yow, James D

From what I'm hearing, I don't know what everybody else is hearing.

00:16:25.190 --> 00:16:25.920

David Talbert

Not right?

00:16:26.400 --> 00:16:31.010

Tami Stout

I'll take it. I like eating pretty regular, so job security is good.

00:16:33.420 --> 00:16:47.960

Tami Stout

Jamie and that's that's all I had. That was pretty much all the excitement I'm gonna, you know, see again you were or Trent, or perish. I apologize, Mr Awesome, I didn't ask you if you had anything you would like to continue to add.

00:16:48.880 --> 00:16:50.950

Parrish Reddick

Now it's all good in neighborhood over here.

00:16:51.260 --> 00:17:08.630

Tami Stout

Are that's what I like to hear. Parrish and I are both out in the field right now. It, you know, it's supposed to be kind of yucky tomorrow, so he's gonna get a stay home. I'm gonna have to go out, but I went ahead and popped out this afternoon. Two, we, you know we got these marked vehicles and.

00:17:09.270 --> 00:17:27.850

Tami Stout

We turned around and then started working from home, but one of the things that we do is go out into a highly traveled, highly populated areas and post those cars up. I'm sitting at South Park Mall right now and he's a Hanes mall, so anybody that goes by is getting that message.

00:17:28.710 --> 00:17:29.240

Yow, James D

OK.

00:17:28.720 --> 00:17:31.700

Tami Stout

So we're we're trying to make them dollars work hard.

00:17:34.320 --> 00:17:36.560

Yow, James D

You almost have good Internet connection up there.

00:17:37.240 --> 00:17:38.590

Tami Stout

I I'm on hotspot.

00:17:38.990 --> 00:17:40.760

Parrish Reddick

I'm on my phone hotspot, yeah?

00:17:39.370 --> 00:17:39.680

Yow, James D

Ah.

00:17:40.840 --> 00:17:41.200

Tami Stout

Yep.

00:17:41.970 --> 00:17:42.680

Caviness, Trent E

I work too.

00:17:42.050 --> 00:17:42.410

Tami Stout

Yep.

00:17:42.250 --> 00:17:42.580

Yow, James D

Good.

00:17:44.740 --> 00:18:01.150

Tami Stout

Well, gentlemen, if you unless you guys have anything I I reckon will be same bat time same BAT channel

next month will continue to try to get participation. I I was pleased this morning with Union County. Had some folks I hadn't seen in a little while so.

00:18:02.070 --> 00:18:06.780

Tami Stout

I'm hoping 2022 will let us all get back together this.

00:18:07.650 --> 00:18:14.670

Tami Stout

It it was nice for the first couple months, but it's it's kind of a drag not to be able to get out and see people in person.

00:18:15.430 --> 00:18:17.010

Yow, James D

Yeah, I agree.

00:18:18.070 --> 00:18:18.680

Caviness, Trent E

Yes dear.

00:18:19.470 --> 00:18:19.990

Tami Stout

Yeah.

00:18:19.760 --> 00:18:20.690

Parrish Reddick

It's the new normal.

00:18:21.260 --> 00:18:22.410

Tami Stout

Sure, I don't like it.

00:18:24.300 --> 00:18:31.910

Tami Stout

Let's go, let's go a little bit. Let's go a little bit back the other way. I don't want completely back the other way, but I'll go a little bit back the other way.

00:18:32.660 --> 00:18:33.070

Yow, James D

Right?

00:18:33.390 --> 00:18:38.270

Parrish Reddick

Great, I'll go ahead and add you and Jamie to the Randolph UCC. When I get back into my house.

00:18:38.660 --> 00:18:39.750

Caviness, Trent E

OK, sounds good.

00:18:38.910 --> 00:18:39.640

Yow, James D
Thank you Sir.

00:18:40.220 --> 00:18:40.910

Parrish Reddick
Thank you.

00:18:40.460 --> 00:18:42.400

Tami Stout
Thank you Parrish Trent.

00:18:41.800 --> 00:18:46.100

Parrish Reddick
And in the Alamance, Orange, and Chatham one as well, is there any others?

00:18:45.250 --> 00:18:45.620

Yow, James D
Because.

00:18:48.030 --> 00:18:51.200

Yow, James D
I, I guess you said that you said Lee too, right?

00:18:51.960 --> 00:19:01.380

Parrish Reddick
Yeah Dooley, yeah, so here. Here's a great thing you don't have to wait on Parrish anymore. You can actually go to the NCUCC website and click under the different counties.

00:19:02.190 --> 00:19:22.460

Parrish Reddick
And at the bottom of the page, right above where the meeting minutes are stored right above the page, you can actually add yourself to each individual meeting that you would like to attend without having to wait on pairs. So if if you don't receive an invite, you know, go ahead and and again that is just another tool in your toolbox. You guys can use.

00:19:13.710 --> 00:19:14.120

Yow, James D
OK.

00:19:23.100 --> 00:19:23.510

Caviness, Trent E
OK.

00:19:23.370 --> 00:19:23.760

Yow, James D
K.

00:19:24.450 --> 00:19:24.850

Yow, James D

Alright.

00:19:25.590 --> 00:19:27.550

Parrish Reddick

Or can anybody else you won't do as well?

00:19:28.940 --> 00:19:29.450

Yow, James D

OK.

00:19:31.010 --> 00:19:32.650

Tami Stout

Trent, David Jamie.

00:19:33.250 --> 00:19:34.050

Tami Stout

Mr. Olson.

00:19:34.910 --> 00:19:48.840

Tami Stout

Y'all, I appreciate you please please be safe over Thanksgiving. Enjoy it. Eat some good Turkey. I told the sweetie on this end the his young ones are gonna be traveling my youngins or traveling. I said we could have a grilled cheese.

00:19:50.750 --> 00:19:51.180

Caviness, Trent E

Yeah.

00:19:50.790 --> 00:19:55.840

Tami Stout

He didn't like that. He said, even if we have a little Turkey breast, that'll be fun.

00:19:57.390 --> 00:19:58.560

Tami Stout

That means I'm cooking.

00:19:59.710 --> 00:20:00.420

Caviness, Trent E

Oh yeah.

00:19:59.930 --> 00:20:02.110

Parrish Reddick

I like pentosin cornbread myself.

00:20:00.000 --> 00:20:00.500

Yow, James D

That's right.

00:20:02.270 --> 00:20:03.360

Tami Stout

Oh yeah.

00:20:03.800 --> 00:20:04.570

Parrish Reddick

That's good meal.

00:20:04.910 --> 00:20:05.910

Tami Stout

I'm down for that.

00:20:07.860 --> 00:20:10.210

Tami Stout

Y'all, please take care. I'll see you next month.

00:20:10.670 --> 00:20:11.350

Yow, James D

Y'all too.

00:20:10.880 --> 00:20:12.350

Caviness, Trent E

Alright, see ya.

00:20:11.640 --> 00:20:12.230

David Talbert

Let's see.

00:20:11.810 --> 00:20:13.470

Tami Stout

Thanks bye.

00:20:12.120 --> 00:20:12.380

Yow, James D

Like

00:20:12.980 --> 00:20:13.380

David Talbert

But

00:20:19.640 --> 00:20:20.260

Tami Stout

Parrish
