# A message from the NC811 Executive Director

- Safe digging month: Although based on volume we can safely say this is safe digging year.
- CGA conference first week of April - expect to hear more about best and "next" practices.
- Martinsville race on Friday, April 8. Good example of cooperative national messaging efforts.
- NC 811 Board meeting held on Earth Day this year live and in person.

00:00:00.000 --> 00:00:02.510

Marc Worth (Services - 6)

They're not found in more than 1/4 they're calling.

00:00:03.410 --> 00:00:08.910

Marc Worth (Services - 6)

That was supposed to be rural area in the Ford model. It's like March. We had five no more than five.

00:00:10.140 --> 00:00:18.130

Marc Worth (Services - 6)

Report. Miles, can you hear this discussion, dear? And I we're getting quarter mile tickets for downtown area.

00:00:18.770 --> 00:00:22.160

Marc Worth (Services - 6)

In every time and what that's already said, people, yes.

00:00:28.700 --> 00:00:37.040

Marc Worth (Services - 6)

Sorry about that. She's yours. She kind of here. So that's gonna turn my computer a little bit and they see I can hear you at all. Talk us.

00:00:34.790 --> 00:00:34.970

Tami Groves

It.

00:00:36.350 --> 00:00:36.980

Tami Groves

It's fine.

00:00:37.950 --> 00:00:38.360

Marc Worth (Services - 6)

OK.

00:00:44.150 --> 00:00:56.440

Marc Worth (Services - 6)

I think a lot of issue actually in even get wrong address. Sometimes people will go out to the job site and want them have called the ticket. Then they'll build the paths.

00:00:58.830 --> 00:00:59.660

Marc Worth (Services - 6)

Google alerts.

00:01:01.040 --> 00:01:02.230

Marc Worth (Services - 6)

I think I think it all.

00:01:04.880 --> 00:01:07.250

Marc Worth (Services - 6)

What they call the dead at this might might.

00:01:11.020 --> 00:01:11.680

Marc Worth (Services - 6)

She is.

00:01:11.830 --> 00:01:14.560

Marc Worth (Services - 6)

Suffered Donald's life a little.

00:01:23.280 --> 00:01:24.160

Marc Worth (Services - 6)

You have concerns.

00:01:28.580 --> 00:01:29.050

Marc Worth (Services - 6)

Ohh.

00:01:30.240 --> 00:01:35.440

Marc Worth (Services - 6)

We'll go ahead and and take a look at what Tammy has sent in for this month's meeting.

00:01:36.380 --> 00:01:36.920

Marc Worth (Services - 6)

Uh.

00:01:41.310 --> 00:01:45.000

Marc Worth (Services - 6)

Yes, some of the A11 meetings are still gonna turn off the background.

00:01:57.260 --> 00:01:59.300

Marc Worth (Services - 6)

Someone that some I guess some of the.

00:02:00.350 --> 00:02:20.220

Marc Worth (Services - 6)

Larger UCC meetings that they have quarterly and stuff some of those are probably still gonna go for actual or give you option to go virtual. They'll probably have in room meetings like we're having today, but they'll also give you the option to go virtual and I guess these are the instructions that if you want to attend one of these meetings virtually.

00:02:21.000 --> 00:02:23.570

Marc Worth (Services - 6)

I guess she has provided the instructions on how to.

00:02:24.370 --> 00:02:25.320

Marc Worth (Services - 6)

In those meetings.

00:02:27.870 --> 00:02:29.010

Marc Worth (Services - 6)

Move on, yeah.

00:02:32.710 --> 00:02:34.050

Marc Worth (Services - 6)

Go ahead, next one.

00:02:37.250 --> 00:02:59.330

Marc Worth (Services - 6)

April is national safe digging month. Brian Weatherman got a bandit here that I think will be what? Hanging on the fence for the gate or something? Or or somewhere visible. We'll have outside of the building and before we all leave for the day, you'd like us to kind of stand behind it. He wants to get a picture group picture of stretching out the band or holding it out. But it is safe. They safe digging month.

00:03:02.130 --> 00:03:06.380

Marc Worth (Services - 6)

To remember to call the 811 number 4 dating, I thank you.

00:03:07.860 --> 00:03:09.510

Marc Worth (Services - 6)

I think that the.

00:03:11.590 --> 00:03:18.570

Marc Worth (Services - 6)

Message has been getting out there with some of the advertisements we've had on billboards and water tanks and stuff like that, and some of the.

00:03:20.390 --> 00:03:32.580

Marc Worth (Services - 6)

What home? Lowe's or Home Depot or something like that has been putting these notices on the plants that they sell and stuff like that, trying to get residential customers to pay attention to what they're doing.

00:03:33.980 --> 00:04:03.100

Marc Worth (Services - 6)

And call in a ticket, especially if they're unsure about whether utilities are because so many more utilities are getting buried in the ground, especially in a lot of these newer subdivisions, you don't see a lot of overhead power lines like you used to. You start to see it in the ground, and many these homeowners come in and they have no clue what, where these lines are on their property. So kind of get the message out in places where they shop and where they get.

00:04:03.190 --> 00:04:13.450

Marc Worth (Services - 6)

The plants and it's stuff for Lent, landscape or landscaping project just to make them aware that there's there's things in the ground that can seriously hurt them getting.

00:04:14.860 --> 00:04:20.240

Marc Worth (Services - 6)

So as Brian said, we're gonna get a picture out here with this banner for this month.

00:04:24.580 --> 00:04:25.010

Marc Worth (Services - 6)

Safety.

00:04:27.080 --> 00:04:28.170

Marc Worth (Services - 6)

Panzer up there.

00:04:29.730 --> 00:04:30.100

Marc Worth (Services - 6)

Great.

00:04:31.620 --> 00:04:37.400

Marc Worth (Services - 6)

Yeah. So I guess these these are some of the activities that are coming up for the month.

00:04:38.720 --> 00:04:42.110

Marc Worth (Services - 6)

Where they're going to be giving the message out.

00:04:43.070 --> 00:04:43.450

Marc Worth (Services - 6)

The.

00:04:45.260 --> 00:04:49.630

Marc Worth (Services - 6)

Looks like marshel raceways about 8 the league this Friday.

00:04:51.290 --> 00:04:52.010

Marc Worth (Services - 6)

Uh.

00:04:52.960 --> 00:05:01.890

Marc Worth (Services - 6)

And that is gonna be NC. That's gonna be 811 race. It's. Yes, it's gonna be named damn French or something along those lines.

00:05:02.690 --> 00:05:03.910

Marc Worth (Services - 6)

Alright, OK.

00:05:06.160 --> 00:05:06.870

Marc Worth (Services - 6)

Go ahead man.

00:05:10.150 --> 00:05:14.800

Marc Worth (Services - 6)

Alright, we're gonna go over the locate request transmission county ticket buddy.

00:05:16.160 --> 00:05:17.450

Marc Worth (Services - 6)

As you can see up here.

00:05:18.680 --> 00:05:21.870

Marc Worth (Services - 6)

The tickets and transmissions.

00:05:22.900 --> 00:05:27.010

Marc Worth (Services - 6)

And the percentage of increases or decreases?

00:05:41.900 --> 00:05:42.420

Marc Worth (Services - 6)

Alright.

00:05:44.420 --> 00:05:48.890

Marc Worth (Services - 6)

Compared to last year, 2021-2022.

00:05:52.070 --> 00:05:55.320

Marc Worth (Services - 6)

I'm not quite sure some of you preview. I see three hour.

00:05:55.960 --> 00:06:04.430

Marc Worth (Services - 6)

I am actually goes down a little bit any projects driving the update tickets to be up to 27 percent, 28%.

00:06:04.700 --> 00:06:05.700

Marc Worth (Services - 6)

We gotta go.

00:06:07.850 --> 00:06:10.190

Marc Worth (Services - 6)

I probably project going on.

00:06:11.270 --> 00:06:11.900

Marc Worth (Services - 6)

Thanks.

00:06:13.000 --> 00:06:42.390

Marc Worth (Services - 6)

Actually, no. Do you know where the work or not? Now I do not stop. I was saying any updates in quite some time, so I'm believe they pulled their crews. Really. That's what? That's what I would think. So then Chris Collett was handling the majority of them when they first came in, but he hadn't talked to him a couple days ago, and he didn't seem to come through in about 3 weeks, three weeks, a Monday, spectrums backed way off on two. Yeah, I know there was a big project going on up and down River Highway. Like near the Perth Rd or intersection they'll be.

00:06:43.330 --> 00:06:51.190

Marc Worth (Services - 6)

You say your cause that the movement of the utilities are started. Yeah, we're we're getting close to being. We're gonna move buyers. Yeah. From what I've been told.

00:06:53.430 --> 00:06:58.880

Marc Worth (Services - 6)

TDs cable and more Jim Gee was saying they were already moving their.

00:06:59.650 --> 00:07:15.910

Marc Worth (Services - 6)

Cable and fiber out there, probably near the person Rd on the 1:50 deal. Duke Energy is supposed to start relocating their utility poles. Think you're Williamson Rd and working towards 77 and their first, like, they're supposed to start.

00:07:16.500 --> 00:07:19.760

Marc Worth (Services - 6)

They're supposed to be starting now. Sometime this first or second week of April.

00:07:20.480 --> 00:07:23.210

Marc Worth (Services - 6)

And then we are supposed to go in.

00:07:23.970 --> 00:07:29.690

Marc Worth (Services - 6)

He October time frame maybe and start moving our gas pipeline.

00:07:30.400 --> 00:07:37.850

Marc Worth (Services - 6)

So that has started, but I plan Jim is working with TDs is working further out than 50.

00:07:38.050 --> 00:07:40.020

Marc Worth (Services - 6)

Well, we're we're all those.

00:07:41.220 --> 00:07:41.600

Marc Worth (Services - 6)

Tonight.

00:07:41.680 --> 00:07:47.250

Marc Worth (Services - 6)

Those companies that we were having so much last year, 90 service, Mindy services and.

00:07:48.270 --> 00:07:59.530

Marc Worth (Services - 6)

The other one I don't we previous tickets for them. That and the dates in the area. Yeah. And everything. There was a lot of them yesterday. That's what I called you about and had John come out there off of.

00:08:00.730 --> 00:08:02.770

Marc Worth (Services - 6)

Life long way down to where they were.

00:08:03.490 --> 00:08:12.050

Marc Worth (Services - 6)

Yeah, I don't get I have to get this. I know a lot of those contractors got fooled to, to hire it off and pulled to Louisiana.

00:08:13.260 --> 00:08:14.560

Marc Worth (Services - 6)

They found the project down there.

00:08:15.930 --> 00:08:17.200

Marc Worth (Services - 6)

I don't know, but that's from.

00:08:21.940 --> 00:08:22.210

Marc Worth (Services - 6)

And.

00:08:29.140 --> 00:08:29.610

Marc Worth (Services - 6)

Yeah, right.

00:08:32.820 --> 00:08:33.250

Marc Worth (Services - 6)

Wow.

00:08:34.230 --> 00:08:36.720

Marc Worth (Services - 6)

Our Bill 4417.

00:08:38.370 --> 00:08:43.560

Marc Worth (Services - 6)

00:08:44.340 --> 00:08:47.090

Marc Worth (Services - 6)

00:09:09.910 --> 00:09:10.360

Marc Worth (Services - 6)

In there.

00:09:10.480 --> 00:09:10.860

Marc Worth (Services - 6)

Yeah.

00:09:12.820 --> 00:09:17.930

Marc Worth (Services - 6)

I feel, oh, you are DELLO.

00:09:18.880 --> 00:09:28.480

Marc Worth (Services - 6)

I remember several years back when I first started doing things like it being chairman trial and didn't answer. Some people call they have less than 100 tickets.

00:09:29.620 --> 00:09:34.740

Marc Worth (Services - 6)

Had less than. Now they're up to 507, so it's it's it's moving.

00:09:35.850 --> 00:09:38.080

Marc Worth (Services - 6)

OK, it looks like the joint South Carolina, North Carolina Utility Coordinating Committee conference is gonna be.

00:11:11.510 --> 00:11:15.160

Marc Worth (Services - 6)

Marc Worth (Services - 6)

Locator and OSHA training is free.

00:11:27.600 --> 00:11:28.140

Marc Worth (Services - 6)

Umm.

00:11:28.930 --> 00:11:30.360

Marc Worth (Services - 6)

You're interested in going.

00:11:31.720 --> 00:11:33.910

Marc Worth (Services - 6)

Go on the website and.

00:11:34.900 --> 00:11:36.510

Marc Worth (Services - 6)

So I left to go.

00:11:39.500 --> 00:11:41.840

Marc Worth (Services - 6)

This is really a good.

00:11:43.710 --> 00:11:49.080

Marc Worth (Services - 6)

Meeting to attend. If you haven't attended, they usually have really good presenters.

00:11:49.890 --> 00:12:00.260

Marc Worth (Services - 6)

There over a lot of different safety topics. Some people have been there and listening to people who've experienced cave in.

00:12:01.520 --> 00:12:05.630

Marc Worth (Services - 6)

We're actually in the home and were buried and we're saved.

00:12:06.380 --> 00:12:24.540

Marc Worth (Services - 6)

And some of the things they had to deal with as a result of that and they go around preaching the safety

of not entering on hold and it's not properly short not having the proper equipment and trying to jump in to do a quick.

00:12:25.600 --> 00:12:33.220

Marc Worth (Services - 6)

Repair fix. Gotta get the day done and they took some safety shortcuts and live result.

00:12:34.330 --> 00:12:34.800

Marc Worth (Services - 6)

The cost?

00:12:35.730 --> 00:12:36.690

Marc Worth (Services - 6)

I'm lucky to be alive.

00:12:38.420 --> 00:12:41.670

Marc Worth (Services - 6)

We've had fire fire personnel.

00:12:42.600 --> 00:12:44.370

Marc Worth (Services - 6)

If demos and talk about.

00:12:45.690 --> 00:12:50.160

Marc Worth (Services - 6)

Natural gas situations we've had electrician.

00:12:51.100 --> 00:12:54.730

Marc Worth (Services - 6)

I mean, I electrical safety gentleman who was a.

00:12:55.480 --> 00:12:56.070

Marc Worth (Services - 6)

Lineman.

00:12:56.760 --> 00:12:58.430

Marc Worth (Services - 6)

To gotten hurry.

00:12:59.440 --> 00:13:02.070

Marc Worth (Services - 6)

Trying to take a little shortcut and think about.

00:13:02.790 --> 00:13:05.840

Marc Worth (Services - 6)

Examining his PPE properly.

00:13:06.600 --> 00:13:07.830

Marc Worth (Services - 6)

We have to hold on the line.

00:13:08.630 --> 00:13:15.210

Marc Worth (Services - 6)

And those results, we lost a lost a leg. Debbie. Mark. Yes. The leg in an army. Yes. Yeah.

00:13:16.500 --> 00:13:24.540

Marc Worth (Services - 6)

And now he's the safety guy for for the power company. And he goes around and makes sure that all of his linen.

00:13:25.750 --> 00:13:53.100

Marc Worth (Services - 6)

Don't take any shortcuts and don't and and follow all the procedures and all that because you know he's been doing the job for several years and he talked about complacency, you know, getting complacent in your job and doing that even day out. You think, you know, I can make this happen and it just takes a split second of losing that focus or not checking that glove. And there's a LEED, be pinhole or something that allowed that.

00:13:53.880 --> 00:13:55.890

Marc Worth (Services - 6)

Electricity get ahold of you.

00:13:56.660 --> 00:14:08.200

Marc Worth (Services - 6)

And another gentleman of to be alive. He was working at a station transformer. Every wanna call. Just doing something. He does all the time. Just thought he'd flip something. One other direction and he did not.

00:14:09.830 --> 00:14:31.870

Marc Worth (Services - 6)

So these these conferences too, they tend to get some really good speakers with some really good messages. And if you've never attended, it's really it's really a good thing to see. And of course, there's usually plenty of vendors vendors on site with some of the latest technology and some of the developing technology to assist with locating.

00:14:33.510 --> 00:14:38.320

Marc Worth (Services - 6)

And safety and everything. It's really a good thing to get the team if you have.

00:14:40.160 --> 00:14:42.570

Marc Worth (Services - 6)

Would you go back to that one for?

00:14:43.780 --> 00:14:58.070

Marc Worth (Services - 6)

To go demo one off the Shopton Rd. But yeah, definitely OK. Is there a phone number or just ronya ronya's email ronya.neighbors@duke-energy.com?

00:14:59.250 --> 00:15:03.370

Marc Worth (Services - 6)

Wanna hear? Maybe Tami could help someone. Speak up, Tammy.

00:15:03.770 --> 00:15:09.450

Tami Groves

After say I I can give you a number for ronya if you need it or I can send it to Sam. How's that?

00:15:09.950 --> 00:15:11.060

Marc Worth (Services - 6)

OK, that's good.

00:15:12.120 --> 00:15:28.260

Marc Worth (Services - 6)

I think the we used to deal with those those. Yeah. And we, you know, we went to the one up in the Hickory and then I think we looked to the one in Charlotte before you swim listen email I don't know this is this is at the fire Training Academy in Charlotte.

00:15:34.430 --> 00:15:45.340

Marc Worth (Services - 6)

Ohh Tammy, there's a slide in here that shows a go back a slide. So back a couple side, I don't know if it's a boat with some ropes, a sea.

00:15:45.950 --> 00:15:51.200

Tami Groves

OK. So it's just a reminder about that, Umm, the?

00:15:52.710 --> 00:15:53.720

Tami Groves

Ohh shoot.

00:15:55.560 --> 00:16:24.010

Tami Groves

I know what it is that the the Pirate ship that's the contest through April 29th of a winning \$811.00 if you go out and just watch a couple of short videos and then answer some questions, you'll be in the drawing to win 811 dollars. There's only one prize, no one at 811 can get.

00:15:56.280 --> 00:15:58.170

Marc Worth (Services - 6)

Well, you reminded.

00:16:24.110 --> 00:16:43.210

Tami Groves

Alright, can can do this. It has to be somebody, so I'm not eligible, but all y'all are eligible. So if you've got, you know, 15 minutes to watch a couple videos and then answer a couple questions that you probably already know the answer to, you can be in that drawing for \$811.00.

00:16:46.760 --> 00:16:51.580

Marc Worth (Services - 6)

And I could not get to that on my coding computer, so gonna have to use your home computer to.

00:16:52.850 --> 00:16:53.540

Marc Worth (Services - 6)

With the gas now.

00:16:56.580 --> 00:16:57.210

Marc Worth (Services - 6)

Tammy.

00:16:57.600 --> 00:16:58.250

Tami Groves

Yes, Sir.

00:16:58.650 --> 00:17:05.160

Marc Worth (Services - 6)

Damn. Did I miss anything that you wanted me to bring up? I tried. I tried to the best presentation I could.

00:17:05.200 --> 00:17:26.060

Tami Groves

No, you did great. Thank you. I didn't. I didn't think I was gonna be able to pop in here this morning. I apologize, y'all. I was excited to come and see you and then had to tend to a family member. But no, Sir, it it's fantastic. If anybody has any questions, I can answer. Please. Please ask the you know, you did a great job.

00:17:28.880 --> 00:17:50.110

Marc Worth (Services - 6)

Anybody have any questions for Tammy? Ohh, it's. Could she reach out to the town of Mooresville? Ronnie Stewart is no longer there and get another contact with them as well as as as spectrum sense it could gems at TBS. Maybe we can get a representative from them to come and.

00:17:51.560 --> 00:17:57.090

Marc Worth (Services - 6)

The city of States will have its new members also, so they may not be getting the emails.

00:17:57.780 --> 00:17:59.790

Tami Groves

Statesville, Mooresville and spectrum.

00:18:00.580 --> 00:18:01.060

Marc Worth (Services - 6)

Yes, ma'am.

00:18:01.880 --> 00:18:02.310

Tami Groves

Got it.

00:18:03.250 --> 00:18:19.330

Marc Worth (Services - 6)

OK, leaving state and still located water in the bowl. Would it help to hand deliver some invitations to the next UCC meeting to see if we can get some just involvement and participation because?

00:18:20.070 --> 00:18:23.820

Marc Worth (Services - 6)

You send the email out couple months ahead of time and they don't put it on their calendar.

00:18:24.740 --> 00:18:25.880

Marc Worth (Services - 6)

They're not gonna see him, people.

00:18:27.300 --> 00:18:27.700

Marc Worth (Services - 6)

All these.

00:18:28.750 --> 00:18:30.370

Marc Worth (Services - 6)

Towns and what have you.

00:18:31.490 --> 00:18:32.700

Marc Worth (Services - 6)

Is that ever been done to him?

00:18:33.590 --> 00:18:35.300

Tami Groves

I honestly don't know.

00:18:33.640 --> 00:18:34.160

Marc Worth (Services - 6)

Center right.

00:18:36.140 --> 00:18:36.840

Marc Worth (Services - 6)

Since Ron.

00:18:40.120 --> 00:18:41.610

Marc Worth (Services - 6)

And we think you energy and I.

00:18:41.690 --> 00:18:45.110

Marc Worth (Services - 6)

Something spiteful water. And they used to be involved too.

00:18:45.830 --> 00:19:01.520

Marc Worth (Services - 6)

You get what Duke Energy used to have somebody pop in every once in a while and we haven't had

Duke Energy referencing notation in long time meetings. Also, we tell them traveling there, they used to pop. Well, they would. They would sometimes host it at their facility and they would attend if they were.

00:19:02.440 --> 00:19:06.050

Marc Worth (Services - 6)

Those are the water. How the water you sitting, the ones and.

00:19:08.690 --> 00:19:13.300

Marc Worth (Services - 6)

Mistake if we did it like a handwritten invitation or something and felt to them they can.

00:19:15.540 --> 00:19:16.230

Marc Worth (Services - 6)

Forward from.

00:19:18.950 --> 00:19:19.820

Marc Worth (Services - 6)

This distribution.

00:19:23.110 --> 00:19:25.660

Tami Groves

So I'll work on them myself on this end as well.

00:19:27.970 --> 00:19:30.170

Marc Worth (Services - 6)

Damn, I made meeting you didn't even show up.

00:19:30.520 --> 00:19:31.370

Tami Groves

I saw you.

00:19:33.980 --> 00:19:35.060

Marc Worth (Services - 6)

I'm sorry about that.

00:19:36.290 --> 00:19:44.630

Tami Groves

Pop pology y'all this this was a. This was one of those things that popped up. So I'm I'm glad y'all there though.

00:19:46.790 --> 00:19:48.230

Marc Worth (Services - 6)

And by the way, recording.

00:19:46.960 --> 00:19:51.250

Tami Groves

Ah, I really was excited to be able to come in and actually see people.

00:19:53.480 --> 00:19:57.380

Marc Worth (Services - 6)

Tami, on those three. Did you hear the discussion about the three hour tickets?

00:19:58.100 --> 00:19:59.490

Tami Groves

A little bit.

00:19:58.100 --> 00:19:58.530

Marc Worth (Services - 6)

Early on.

00:20:01.150 --> 00:20:05.400

Marc Worth (Services - 6)

You're getting a lot of three hour tickets in the middle of the night.

00:20:06.180 --> 00:20:06.650

Tami Groves

Uh-huh.

00:20:07.100 --> 00:20:10.950

Marc Worth (Services - 6)

And locators are going out there and this phone drops.

00:20:11.950 --> 00:20:14.310

Marc Worth (Services - 6)

OK, they will drops.

00:20:15.100 --> 00:20:17.510

Marc Worth (Services - 6)

They nobody's on site.

00:20:19.680 --> 00:20:25.250

Marc Worth (Services - 6)

How how do we need to address that? As far as the locators, just keep up with those locate tickets and pass them on to you or.

00:20:26.450 --> 00:20:40.680

Marc Worth (Services - 6)

The the problem is, is that we thought that stopped because we've had it located and so we have a positive response code down on those tickets and you're calling into three hour ticket. We should not be receiving those three hour tickets since we're marked.

00:20:41.520 --> 00:20:42.720

Marc Worth (Services - 6)

I thought that was taken care of.

00:20:43.500 --> 00:21:06.990

Tami Groves

I thought it was too. Let me let me go back and find out what's going on, because if you've already responded, you shouldn't get that three hour unless there's whoever the the the contractor excavator is just going in and doing a blanket sort of thing and saying nobody's responded. But you shouldn't be getting those if you already responded and.

00:21:08.710 --> 00:21:10.640

Tami Groves

Yeah, I mean, let me know, but.

00:21:11.330 --> 00:21:23.170

Tami Groves

At I think probably what's happening is somebody who has RTE is going in and entering 3 hour responses that you know 1011 twelve 1-2 in the morning.

00:21:23.790 --> 00:21:29.360

Tami Groves

Umm. And then you're getting the three hour notice that you know two o'clock 3:00 o'clock in the morning.

00:21:30.890 --> 00:21:38.360

Marc Worth (Services - 6)

That national demand that does a lot of the cable drops and stuff in our area up here is the one.

00:21:39.420 --> 00:21:43.950

Marc Worth (Services - 6)

Wanted to ones nailing but on their tickets sitting nobody's located or.

00:21:44.700 --> 00:21:52.190

Marc Worth (Services - 6)

Uh. That they're destroyed marks you're stroyed, but it's like Brian said, when you get them at midnight.

00:21:53.000 --> 00:21:54.680

Marc Worth (Services - 6)

Two or three o'clock in the morning.

00:21:55.010 --> 00:21:55.430

Tami Groves

Right.

00:21:55.960 --> 00:21:59.490

Marc Worth (Services - 6)

Sounds like somebody that is remote remoting in.

00:22:02.230 --> 00:22:06.580

Tami Groves

And I think they're out of Cabarrus. I might be wrong but.

00:22:07.410 --> 00:22:12.120

Tami Groves

Uh, I'll I'll reach out to them. I've I've had to work with them before.

00:22:15.110 --> 00:22:16.840

Marc Worth (Services - 6)

I've tried to contact with a lot of times.

00:22:17.270 --> 00:22:21.510

Marc Worth (Services - 6)

Eventually, I don't answer the phone, but keep going out or something.

00:22:23.010 --> 00:22:26.350

Marc Worth (Services - 6)

Either that or 14 voicemails are full.

00:22:35.490 --> 00:22:37.940

Marc Worth (Services - 6)

Everything else you want to bring up at this time.

00:22:42.570 --> 00:22:42.960

Marc Worth (Services - 6)

OK.
