# Safe Digging Month Proclamation Signing - April 19, 2022

# MAY IS NATIONAL BARBEQUE MONTH

You can either put on an apron or a bib because it can get messy whether you're making barbecue or eating it. Then dig in! Try different flavors and recipes all month long. And, if you've heard about a good barbecue restaurant, get there early. The good ones sell until it's all gone then close up shop. That's the sign of *real* barbecue! Use #NationalBarbecueMonth to share on social media.

# A message from the NC811 Executive Director

- We are very busy on the phones and working to train new folks, please be patient!
- Call back function can keep you from waiting when calling.
- The whole system is built on communication! Do what you can to know those who can help.
- Make sure to report damages when they occur both to NC 811 and the operator.

## Safe Digging Tip

### Use the right tools:

Every job needs the proper equipment in order to do it right. If you don't own a tool you will need, look into renting one.

If this meeting was virtual or hybrid, a video is available on [ncucc.org](http://ncucc.org). Go to County UCC's. The video will be listed under the month and year the meeting took place.

00:00:00.000 --> 00:00:11.010

Tami Groves

Where I'm sitting in Charlotte on my couch this morning, I did tell Robert when when I signed him in this morning that as of.

00:00:11.740 --> 00:00:22.610

Tami Groves

Umm June, we are able to meet in person, so I hope. I'm sorry. I think I told Jermaine too, but I hope that you guys are able to meet in person.

00:00:23.680 --> 00:00:53.000

Tami Groves

In June, Piedmont Natural Gas is just opened a new facility in Indian Trail and they have said yes. The UCC can use that. So we will, we will actually be in person in 30 days. I don't know. Well not quite 30 because it's June 1st is when we're meeting. I don't know about you, but I'm actually pretty excited. Most of my UCC have have opened back up to in person and it's nice to be able to.

00:00:53.460 --> 00:01:25.590

Tami Groves

See people I hadn't seen for a long time. I I it's it's not fair. I'm Jermaine and I cheat because we get to see each other at the at the Mecklenburg UCC guys, I've started the recording. This recording would be used as our minutes. I will ask that anyone who's joined, if you would please. Thanks guys for signing in from the city of Monroe. Russ, Sammy and drew. If you would go into the chat section and type your name.

00:01:25.970 --> 00:01:32.160

Tami Groves

Your company name and any contact information you would like to share.

00:01:33.280 --> 00:02:00.130

Tami Groves

Phone number, email address if anyone wants to get in touch with you, we'll also use that as our roster. With that, I'm gonna start the UCC meeting. I know most of us have seen this virtual UCC slide before, so if you were in the UCC meeting then I don't need to tell you how to get here. Virtually. I will just ask please if you'll type in your contact information.

00:02:01.190 --> 00:02:06.600

Tami Groves

It is already may and soon we're going to be rolling into June.

00:02:08.700 --> 00:02:14.970

Tami Groves

Maybe it's just the fact that I'm older, but it seems like that time just goes faster and faster and faster.

00:02:15.970 --> 00:02:43.510

Tami Groves

April was national safe Digging Month, and you're going to see a couple of slides here. So a few things that we did this past month at 811 to help get that, get that word out. So people aren't cutting your

utilities. We had the 811 call before you dig 250 at Martinsville Speedway. So I know that's in Virginia at the Martinsville Speed Track, but.

00:02:44.360 --> 00:03:14.590

Tami Groves

North Carolina, South Carolina, Arizona, Michigan there were a number of different 811 centers there because not everybody who comes to that race is from Virginia. So we were able to get a number of 811 centers out there to help spread that message. The NC 811 treasure hunt, I know it's over. I know a winner has been picked. I think he's up in the upper Piedmont.

00:03:15.650 --> 00:03:45.580

Tami Groves

Parrish and I did the Charlotte Checkers 811 takeover. If any of you were or hockey fans, it was fun to get out there. That was my first time ever and I will go back. It was a great day. The Lineman Appreciation Day, the North Carolina 811 banner campaign, locator safety and Awareness Week, the Monday night SIM 500 Cup series, and the 811 PNG sidewalk graphics, not to mention the fact that.

00:03:46.060 --> 00:03:56.620

Tami Groves

Piedmont Natural Gas and Duke Power had a demo day that we were able to participate in. It was a lot of fun, just some pictures from the Martinsville Speed track.

00:04:04.380 --> 00:04:13.570

Tami Groves

The last two on the right are at the Charlotte Checkers takeover, which we participated in with Piedmont Natural Gas.

00:04:21.320 --> 00:04:24.000

Tami Groves

A proclamation signing at our office.

00:04:24.670 --> 00:04:31.990

Tami Groves

So for those of you that are familiar, sharie Berry or cherry Berry used to be the Labor Commissioner.

00:04:33.060 --> 00:04:33.720

Tami Groves

I'm sorry.

00:04:34.500 --> 00:04:44.100

Tami Groves

Maybe I'm telling you wrong anyway, Labor commissioner Josh Dobson came to the office in Greensboro and signed the sheer safe Digging Month proclamation.

00:04:44.970 --> 00:04:48.080

Tami Groves

Adam, make sure I'm telling you right. I might. I might be off on that one.

00:04:50.210 --> 00:05:06.780

Tami Groves

Some of you folks have seen this this UM mini X that we purchased. We got a grant and went in with Duke Power to purchase a mini excavator and we'll be taking this out to some of our events. There is a way to request it.

00:05:07.800 --> 00:05:14.590

Tami Groves

If you're having like a safety day or something, we'll be glad to to try to get you on the schedule to participate.

00:05:16.190 --> 00:05:44.270

Tami Groves

I know it's this is gone down to the state UCC in Greenville this this week. So we we don't have it to participate in another event. But yeah, very excited. We've gotten a lot of great feedback and it's a great way to introduce it to kids. It will hold up to £275.00. So for those of us that are big kids, you can get on there and play around with it as well.

00:05:46.370 --> 00:05:48.140

Tami Groves

For those of you that are.

00:05:49.420 --> 00:06:09.490

Tami Groves

Pork fans such as myself, I always think of pork as being barbecue ribs and chopped barbecue or pig pickings. May is national barbecue month. You can either put on an apron or a bid because you know you're gonna make a mess if you're trying to cook it or eat it.

00:06:10.630 --> 00:06:40.610

Tami Groves

You know, if somebody says barbecue automatically think pig. I know some people say barbecue and then they say, well, we're gonna have hamburgers and hot dogs. So barbecue, enjoy it, try different recipes and flavors. And if you've heard about good barbecue restaurant, get there early. The good ones sell off until it's gone. And the time to close up, that's a sign of real barbecue. And if any of you guys are looking for a place to have good brisket or great ribs.

00:06:40.690 --> 00:06:58.810

Tami Groves

Or chicken or sausage made in house. I would highly recommend Midwood Smokehouse in Charlotte if you haven't been. I know Texas is big for brisket, and one of my friends went to to school in Texas, so I had him come over and try it out, and he said it was legit.

00:07:00.670 --> 00:07:04.920

Tami Groves

A message from Louis Panzer are 811 executive director.

00:07:05.920 --> 00:07:37.420

Tami Groves

Folks, if you are calling the office, Please be patient. They've got a couple of new customer service reps and those folks are reading from a script. So they are trying to get through that script with all of their customers. If you want to use that callback function, you can use that. It'll keep you from waiting and someone will call you right back. Our whole system for all of us, contractors, excavators, utility companies, 811, that whole system is built on communication.

00:07:38.610 --> 00:07:55.660

Tami Groves

Do what you know uh, to that that can help to be able to help those that need it and make sure if you're having a damage that you report at when it occurs to the operator and to North Carolina 811 it is a requirement of the law.

00:07:59.150 --> 00:08:30.360

Tami Groves

Well, so veteran recruiting just a a note from some folks in Nuka, the national Utility Contractors Association, they're doing a lot of veteran recruiting army Transition assistance program, tap help soldiers who are separating or retiring from the army looking for a new career, the career Skills program, CSP, it provides soldiers with skills and experience to find employment outside of the military.

00:08:30.740 --> 00:09:01.460

Tami Groves

There's a six month, six month apprenticeship program and the salary is paid actually by our United States government. There is a process tap, we'll have a PDF flyer specific job posting, company information and a point of contact and then a PDF Flyer General Company recruitment send those over to [christopher.lord@zylomzimsorryxylem.com](mailto:christopher.lord@zylomzimsorryxylem.com).

00:09:02.210 --> 00:09:04.030

Tami Groves

Christopher Lord asylum.

00:09:06.870 --> 00:09:40.560

Tami Groves

Will pop into our data and transmission information for the month tickets for the month of April. If you can believe this, tickets were actually down a little bit 1.6 percent 200 and 8778 for the month of April last year 200 and 12,229 transmissions were down as well. One million, 120,012 transmissions were down 5%.

00:09:41.060 --> 00:10:12.870

Tami Groves

So a transmission is how many utilities are notified about everyone ticket or everyone locate request. Right now on average for everyone, locate request that comes in there are 5.5 utilities notified. So if you're putting in a water line in the area where you're placing this water line, there might be power, sewer and telecommunications lines. So there would be 3 transmissions for that.

00:10:12.950 --> 00:10:41.910

Tami Groves

One locate request year to date tickets were actually up for the year 3.5% year to date, we are at 700

and 95,556 locate requests. Our transmissions are up as well. Year to date that's through the end of May a half a percent 4,352,300 and 16.

00:10:45.000 --> 00:11:16.150

Tami Groves

Ticket information for Union County for the month of April. I know the the rest of the state might have been down a little bit, but Union County you were up in new tickets 11.4 percent 44159. Total tickets were also up free. Union County 17.6% new tickets for the month. I'm sorry. Total tickets for the month 7360.

00:11:16.730 --> 00:11:31.870

Tami Groves

Total tickets due include retransmits and updates, and you can see the updates were a big driver that second to last column. There 44% of those update total tickets were.

00:11:33.170 --> 00:11:49.570

Tami Groves

Were updates 2146 of those total tickets were updates that lets me know on my end. There's some projects that are ongoing. I know you guys are really busy and I know there's a lot going on down there.

00:11:50.390 --> 00:11:56.010

Tami Groves

Average locates per day for Union County 320.

00:11:58.400 --> 00:12:14.260

Tami Groves

Year to date ticket volume for Union County new tickets are up seven and a half percent, 15,210 and total tickets are up 17.7 almost 18%.

00:12:15.070 --> 00:12:30.520

Tami Groves

Total tickets 25,318 and again that includes retransmits and updates and you can see those updates are up almost 44 percent, 8000.

00:12:31.220 --> 00:12:32.390

Tami Groves

39.

00:12:35.520 --> 00:12:52.680

Tami Groves

Ticket volume ticket distribution for the county of those 7300 locate requests in blue. I've highlighted you can see Indian Trail at 14119 Monroe 2863.

00:12:53.650 --> 00:13:27.060

Tami Groves

Waxhaw in at 13176, those were the big drivers, but Weddington, Wesley Chapel. Stallings, Marshall. All up in the hundreds of tickets there. And Marvin and Winget just barely missing 100 each. I did take out

those that had one or less, but I did leave in the twos. Even even Alton and Jackson. And and rough edges you can see had two each. So that work really is all over the county.

00:13:27.400 --> 00:13:34.250

Tami Groves

But the the big guys being Monroe and Waxhaw and Indian Trail.

00:13:35.350 --> 00:13:53.010

Tami Groves

And guys, if you'll be uh, if you'll give me just one minute, hour chair. Marshall Herring, for some reason did not get a meeting invite. And I'm gonna just pop this over to him and see if he can get into this meeting and join us.

00:13:58.100 --> 00:14:00.990

Tami Groves

Apologize for that. Uh, break there.

00:14:04.970 --> 00:14:08.260

Tami Groves

We'll get back to our regularly scheduled programming.

00:14:10.000 --> 00:14:17.630

Tami Groves

Damaged reports and I. I hope you can see this better than I can you Union County.

00:14:18.730 --> 00:14:49.760

Tami Groves

I should have put on my reading glasses. I, if y'all can tell me. I I think that says 46 damages reported for Union County for the month of April. I'm not gonna be scared to shave. Say that Mecklenburg and Wake probably had yet Meck and Wake had 140 and 135 each, which stands to reason because, you know, with the the amount of work that goes on.

00:14:50.180 --> 00:15:19.680

Tami Groves

Those damages tend to go up and believe it or not, and union is one of those counties and not that you guys don't know this, but union is one of those counties where there's a lot of work going on. So those damages tend to creep up there a little bit. We spoke in our meeting that the liaison meeting the other day about some information we had that came over from different utilities, Piedmont Natural Gas being one of those and.

00:15:20.640 --> 00:15:30.160

Tami Groves

We had a lot of folks who were not calling in locate requests, so I'll be reaching out to them to to educate them.

00:18:23.300 --> 00:18:36.510

Tami Groves

Umm, a rail 10, maybe 10 to 15 cases and I know that they they did find a number of people and require education for a number of people.

00:18:39.640 --> 00:19:07.630

Tami Groves

North Ann Rushing with our office. Our education manager was appointed to this board by the

governor's office, so she has to be very careful about how she goes in. I know she's already had to recuse herself once because there was a possible conflict, so she has to recuse herself to keep from being any conflict with the board. Good morning, Marshall. How are you doing this morning?

00:19:08.630 --> 00:19:09.880

Herring, Marshel B

Good. How you doing today?

00:19:09.840 --> 00:19:31.350

Tami Groves

I'm doing great. Thank you. We're we're talking meetings right now. The I know the joint, North Carolina, South Carolina Conference starts today and we'll go through Friday and that's in Greenville. But the next actual state UCC for North Carolina is Tuesday, July 12th.

00:19:32.480 --> 00:20:04.990

Tami Groves

That location, excuse me, is to be determined and they will start at 10:00 AM as soon as I get some information about the location, I will start getting those meeting invites out to everyone. The next North Carolina locate Resolution Partnership Committee meeting is Tuesday, May 17th. That will be a hybrid meeting at the 811 Event Center in Greensboro. 00:20:05.070 --> 00:20:35.710

Tami Groves

Tami Groves

Three full business days to get those utilities marked.

00:20:42.810 --> 00:21:17.560

Tami Groves

That you're North Carolina. 811 education team. I'm not gonna go through. You've seen that for two years plus. Now. Appreciate your time and attention. A copy of this presentation will be available in PDF form. And also if, when we have these virtual meetings, video recording will be available as well and will use the roster as they sign in sheet safe. Digging tip. Use the right tool. Every job needs the proper equipment in order to do it right if you.

00:21:17.900 --> 00:21:27.500

Tami Groves

Own the tool that you need. Look into renting one. I know that Lowe's has a tool rental program as well as.

00:21:27.580 --> 00:21:39.750

Tami Groves

Umm, you know, United Rentals, Sunbelt. Those folks all have tool rentals but but Los has been a great proponent of 811 and making sure that message gets out there.

00:21:40.570 --> 00:21:52.540

Tami Groves

Umm, so you know I I do like to throw that out there. Marshall. I'm gonna go back to our numbers for the month, just in case you wanna talk about those for a second.

00:21:53.670 --> 00:22:22.900

Tami Groves

Numbers for Union County for new tickets were up 11 1/2% and total tickets are up 17.6% and then ticket volume for Union County year to date is up. 17.7% in new tickets were up seven and a half percent. With that being said, I'm going to turn that over to you, give you a minute if you have anything you want to share and if not, I'm gonna come out of that.

00:22:23.570 --> 00:22:29.130

Tami Groves

Presentation and get back to our regularly scheduled camera.

00:22:31.690 --> 00:22:33.210

Herring, Marshel B

Thank you, Tammy. Sorry about being late.

00:22:33.330 --> 00:22:33.930

Herring, Marshel B

Umm.

00:22:35.280 --> 00:22:54.010

Herring, Marshel B

The Yeah, the numbers are not going down anytime soon. It looks like because the way these fiber jobs are coming into the area, so just need to be mindful and they also we need to get them to work with us some like it on certain things, like if you're not gonna be in a neighborhood for a couple weeks like it don't call you tickets in so early.

00:22:55.200 --> 00:22:57.680

Herring, Marshel B

Uh, I can understand the design ticket, but you know.

00:22:55.220 --> 00:22:55.980

Tami Groves

Our.

00:22:58.380 --> 00:23:06.470

Tami Groves

Are you working with TDs folks? Y'all are, are they? I I'm sure they're. They're busy down here already.

00:23:07.760 --> 00:23:12.490

Herring, Marshel B

Yeah. Roberts been taking care of a lot of the groundwork on talking to these companies and stuff.

00:23:13.240 --> 00:23:21.570

Herring, Marshel B

And I'm I'm right now. We're pulling guys from Cruise down, help go out and locate all these subdivisions and stuff that they're calling in, so hopefully.

00:23:22.440 --> 00:23:25.310

Herring, Marshel B

I don't see it slowing down anytime soon, but you know.

00:23:26.010 --> 00:23:33.340

Herring, Marshel B

They knew new need to be mindful because I mean, it's like yesterday somebody hit another fiber out there putting their fiber in.

00:23:34.840 --> 00:23:36.390

Herring, Marshel B

So eliminating the competition?

00:23:35.250 --> 00:23:35.690

Tami Groves

Yeah.

00:23:37.120 --> 00:23:37.570

Tami Groves

Right.

00:23:39.720 --> 00:23:40.350

Herring, Marshel B

But.

00:23:41.340 --> 00:23:44.140

Herring, Marshel B

Yeah, just uh also remember, stay hydrated out there.

00:23:45.250 --> 00:23:46.740

Herring, Marshel B

Because it's getting warmer.

00:23:45.560 --> 00:23:46.130

Tami Groves

I know.

00:23:48.100 --> 00:23:48.640

Herring, Marshel B

And.

00:23:48.410 --> 00:23:54.480

Tami Groves

Sorry, I didn't mean to interrupt. I I was gonna say I know Osha's doing a huge push this year for the.

00:23:55.540 --> 00:23:58.880

Tami Groves

You know, warm weather reminders.

00:24:00.520 --> 00:24:01.030

Herring, Marshel B

Yep.

00:24:02.460 --> 00:24:08.350

Herring, Marshel B

Yeah, it looks like it's gonna be a real hot one this year, so definitely keep watering your trucks and stay hydrated.

00:24:09.590 --> 00:24:14.170

Herring, Marshel B

Umm. Let's see you make any more major projects coming up.

00:24:19.970 --> 00:24:21.040

Tami Groves

Minor projects.

00:24:22.140 --> 00:24:23.090

Tami Groves

Any projects?

00:24:24.550 --> 00:24:37.860

Tami Groves

Go. Go on. Once I know y'all are busy. I know everybody's got stuff going on. Please. You know, if it's something you can share, please, please let your fellow UCC folks know about it.

00:24:40.580 --> 00:24:52.060

Herring, Marshel B

Yeah, that's why we can communicate with each other. And like you may have a project coming up that we may have require encroachment paperwork as we got transmission lines in that area or something and that can take a while because.

00:24:53.110 --> 00:25:03.700

Herring, Marshel B

How you I've been saying four to six weeks and I'm actually extending that out now because sometimes it's going upstairs and they're finding more problems with it lately and it's taking the next couple, three or four more weeks.

00:25:04.420 --> 00:25:04.810

Tami Groves

Wow.

00:25:05.240 --> 00:25:06.270

Herring, Marshel B

So yeah.

00:25:09.070 --> 00:25:09.640

Herring, Marshel B

But.

00:25:10.950 --> 00:25:14.530

Herring, Marshel B

Alright, nobody any projects there? What about damages? Anybody got any damages?

00:25:15.420 --> 00:25:17.790

Herring, Marshel B

Tiana is working on Pool Myers right now.

00:25:21.060 --> 00:25:21.590

Herring, Marshel B

But.

00:25:23.190 --> 00:25:23.870

Tami Groves

Nothing y'all.

00:25:27.980 --> 00:25:29.140

Herring, Marshel B

OK.

00:25:31.340 --> 00:25:32.540

Tami Groves

So everybody still awake?

00:25:33.960 --> 00:25:35.280

Herring, Marshel B

On a good note there.

00:25:36.050 --> 00:25:41.550

Herring, Marshel B

We've we will be having our next meeting at our office here off at 5607 Cannon Drive.

00:25:44.470 --> 00:25:47.730

Herring, Marshel B

And we'll be, we'll provide some biscuits and stuff like that.

00:25:49.240 --> 00:25:54.730

Herring, Marshel B

And then we'll start trying to get our schedule back out there and we can have them here until we can find a another place there.

00:25:55.780 --> 00:25:58.260

Herring, Marshel B

We're going to start reserving the room and everything like it.

00:25:59.910 --> 00:26:32.260

Tami Groves

Well, I for one will say thank you. I know I had had talked to Scott and I well and then the only reason I knew to talk to Scott was because you said that office was getting ready to open back up. So appreciate that y'all again, as Marshall said, next month we'll be meeting at the Piedmont Natural Gas Office and and they're gonna actually bring some some breakfast, so that that's actually kind of exciting. I know a lot of people like to participate when there's food so.

00:25:59.980 --> 00:26:00.490

Herring, Marshel B

So.

00:26:32.490 --> 00:26:35.080

Tami Groves

Appreciate Piedmont being willing to do that.

00:26:36.550 --> 00:26:54.890

Tami Groves

And and I'll, I'll talk to the boss and and see if there's not a way we can help with the providing, you know, some biscuits or something for those meetings. Marshall, while we have them there, really do appreciate y'all being able to and willing to to host the UCC. I know it's been a.

00:26:55.730 --> 00:27:03.260

Tami Groves

I know I said this earlier, but it's it's been a long two years that, you know, we haven't been able to get together in person and there's.

00:27:04.390 --> 00:27:12.780

Tami Groves

Being able to have these virtual meetings is nice, but there's there's something about that being able to fellowship in person that really goes a long way.

00:27:13.600 --> 00:27:18.870

Herring, Marshel B

Yeah, I still kind of want to keep the teams meeting open like that for at least the first couple of months like it.

00:27:19.160 --> 00:27:19.530

Tami Groves

Right.

00:27:19.670 --> 00:27:23.510

Herring, Marshel B

That way you know until people get back in the hang of things you know.

00:27:24.280 --> 00:27:28.190

Herring, Marshel B

Or get their schedule straight where they can start coming to the meetings again like it you know.

00:27:28.970 --> 00:27:30.500

Herring, Marshel B

They're willing still be part of it.

00:27:31.350 --> 00:27:42.910

Tami Groves

Well, I will leave that. Uh, I'll leave that option on there. Actually I I went in yesterday and put my invite together, but I'll go back in and and add that teams invite because I'm sure with the.

00:27:43.580 --> 00:27:54.060

Tami Groves

The new office, there's probably technology there that would allow us to to do that. Teams meeting, I know the the office in Charlotte has that ability.

00:27:55.000 --> 00:27:58.550

Herring, Marshel B

Yeah, there is. I'm still learning how to use it myself. Like yeah, so.

00:27:59.750 --> 00:28:01.180

Tami Groves

Alright, well, we'll get it.

00:28:00.310 --> 00:28:02.480

Herring, Marshel B

We just moved in Monday this week, so.

00:28:03.310 --> 00:28:06.440

Herring, Marshel B

Still trying to get all the kinks worked out right now so.

00:28:03.670 --> 00:28:03.990

Tami Groves

That's.

00:28:06.370 --> 00:28:25.960

Tami Groves

That's awesome. We'll we'll figure it out, y'all. So if if you're still not meeting in person, we'll we'll try to to make sure that your your organization is being included. We don't want to leave anybody out. I know for Mecklenburg, we have continued to do a hybrid meeting.

00:28:27.460 --> 00:28:40.560

Tami Groves

Sometimes the technology cooperates, sometimes it doesn't as well, but we still have those meetings and and are able to get folks in online and in person, so that that's been nice.

00:28:42.850 --> 00:28:45.600

Tami Groves

Apologies, didn't mean to to run off with your meeting there.

00:28:46.520 --> 00:28:47.610

Herring, Marshel B

No, no, you're fine.

00:28:48.440 --> 00:28:49.570

Herring, Marshel B

You're fine because.

00:28:50.530 --> 00:28:54.740

Herring, Marshel B

Let's see, trying to think of anything else to bring up right now, because I'm not real sure.

00:28:56.010 --> 00:29:01.520

Herring, Marshel B

He projects going on like it and I know people's got projects going on and just quiet group this morning.

00:29:02.590 --> 00:29:26.960

Tami Groves

Robert, anything you wanna share on the the dot end that I know you guys are are as we talked about right before we got started just wide open anything you wanna share as far as getting paperwork in for any kind of encroachments on your end or anything anybody needs to do any projects you wanna share?

00:29:19.020 --> 00:29:20.940

Weltner, Robert C

Getting paid for working in for any kind of.

00:29:28.080 --> 00:29:31.990

Weltner, Robert C

Ohh, I don't think as far as any projects I don't know. We have a.

00:29:32.750 --> 00:29:35.690

Weltner, Robert C

A widening the Monroe Road from, I think.

00:29:36.870 --> 00:29:44.700

Weltner, Robert C

Ohh what is it down there it is. See, I saw John Street or something down at near 485 with Mecklenburg County.

00:29:44.870 --> 00:29:47.120

Tami Groves

In right. In Matthews. Yes, Sir.

00:29:46.740 --> 00:29:49.660

Weltner, Robert C

Yeah. And they'll widen up too, but I'm not sure.

00:29:50.790 --> 00:29:54.940

Weltner, Robert C

You know, I think it's in right away right now or they're acquiring that and so.

00:29:55.940 --> 00:30:03.980

Weltner, Robert C

A lot of the encroachments, if you have encroachments that are going to be in that area, they're gonna go to the division because that being a divisional that project.

00:30:04.590 --> 00:30:07.310

Weltner, Robert C

They're going to wind up being in the division for review.

00:30:08.070 --> 00:30:08.800

Weltner, Robert C

Ohm.

00:30:10.720 --> 00:30:21.160

Weltner, Robert C

For a little while in there shorthanded as well, so might be a little an extended review time. So you might need to get if it's gonna be in that project area, get it in earlier.

00:30:22.110 --> 00:30:31.980

Weltner, Robert C

Ohh, and we've had, we've got other other companies, one company. I don't remember what they were, they were a fiber company from from Texas and they were they were.

00:30:32.830 --> 00:30:36.090

Weltner, Robert C

Coming in and and like 5050 or so improvements.

00:30:48.930 --> 00:30:50.340

Tami Groves

Yes, Sir, TDs.

00:30:50.390 --> 00:30:51.140

Weltner, Robert C

You're 1.

00:30:52.120 --> 00:30:53.770

Weltner, Robert C

Something like that. And they've got up.

00:30:54.480 --> 00:31:04.430

Weltner, Robert C

Bunch of them all over the place and I don't think that they're actually, you know, they're we were require a 72 hour notice before any work begins and I know.

00:31:05.650 --> 00:31:11.810

Weltner, Robert C

Or Inspector over those. Those type of encroachments he he's having.

00:31:12.810 --> 00:31:27.620

Weltner, Robert C

Issues with getting notifications that the works even begin and we'll get complaints that somebody's out. We have no idea they're even out, you know, on NC 84 or NC 75 or Rocky River Road or, you know, these other areas.

00:31:28.320 --> 00:31:31.630

Tami Groves

If Robert, if you don't mind sharing your.

00:31:32.630 --> 00:31:45.160

Tami Groves

Email address with me. I've got a about a handful of contacts with TDs. I can consent over to you and you know at least a some way to get in touch with them.

00:31:40.890 --> 00:31:41.340

Weltner, Robert C

OK.

00:31:47.910 --> 00:31:48.470

Weltner, Robert C

Ohh.

00:31:49.990 --> 00:31:58.780

Weltner, Robert C

You know, city of Monroe does real good. Union County does real good, Piedmont, you know, with their emergency guy, Scott Faircloth, and those folks, they do real good.

00:31:59.640 --> 00:32:00.270

Weltner, Robert C

Ohm.

00:32:01.860 --> 00:32:08.250

Weltner, Robert C

You know that we've got some of the Subs that I don't know if they don't read far enough into the provisions, don't.

00:32:09.620 --> 00:32:10.220

Weltner, Robert C

Ohh.

00:32:11.070 --> 00:32:16.460

Weltner, Robert C

You know, give us notification even that they're done if they if they, if they've completed it, we don't know.

00:32:17.080 --> 00:32:17.740

Weltner, Robert C

Ohm.

00:32:18.480 --> 00:32:23.920

Weltner, Robert C

So we don't even we can't even get the the as built plans request them if we don't know they're done.

00:32:24.710 --> 00:32:43.560

Weltner, Robert C

Ohh then you know there's as built plans if we get those then we can pass those to the city, the county, the Piedmont, other folks that are going in the area and hey, these were relocated to this area. This is where they are. We have the sheet for that showing you where they are and might help eliminate some of the damages.

00:32:45.860 --> 00:32:55.990

Weltner, Robert C

I don't know if I Russ Isam. He remembered the date of it. We had the the Yadkin Regional Water lines of 54 inch water line coming down from Stanley County.

00:32:56.670 --> 00:33:04.740

Weltner, Robert C

And they were putting Jack and bore under Rocky River Road and Secret shortcut and hit the city of Monroe Gas Main.

00:33:05.360 --> 00:33:05.760

Tami Groves

Sure.

00:33:05.890 --> 00:33:15.660

Weltner, Robert C

Umm. And so again if if you know proper notifications have been made, I think that those guys did get with the city and get locates and everything but.

00:33:16.360 --> 00:33:21.660

Weltner, Robert C

Uh, if some of those notifications would have been made, I think the whole process might have won a little bit smoother and.

00:33:23.780 --> 00:33:25.360

Weltner, Robert C

You know that that kind of stuff.

00:33:26.520 --> 00:33:28.440

Weltner, Robert C

So it's just the standard type of.

00:33:29.810 --> 00:33:33.030

Weltner, Robert C

You know not to point any fingers anyone way because it's all over the place.

00:33:33.410 --> 00:33:33.830

Tami Groves

Right.

00:33:34.660 --> 00:33:38.480

Weltner, Robert C

But there are some that do that do notifications and things like that better than others.

00:33:38.950 --> 00:33:39.310

Tami Groves

Right.

00:33:39.420 --> 00:33:39.880

Weltner, Robert C

Ohh.

00:33:42.880 --> 00:33:45.690

Weltner, Robert C

I don't know if we happened. You know what other big projects we have.

00:33:46.770 --> 00:33:47.500

Weltner, Robert C

No.

00:33:50.270 --> 00:33:56.130

Weltner, Robert C

Yeah, I don't know what's what's being like, what's being left from the division. Other than that Monroe Road widening.

00:33:58.020 --> 00:34:23.390

Tami Groves

So I know I'm. I'm actually in Charlotte and travel back and forth that way a a good bit and I know that that John Street is and I every time I go to get on 485 I feel like I'm taking my life into my hands cause people people do not wanna wait and and you know sometimes that that safety seems like it's gone out the window there but yeah I know I know it's busy up on that end.

00:34:13.340 --> 00:34:13.730

Weltner, Robert C

Thank you.

00:34:26.950 --> 00:34:28.970

Tami Groves

City of Monroe.

00:34:29.750 --> 00:34:34.840

Tami Groves

What you guys got anything to share? I know y'all are. I know y'all are busy.

00:34:36.020 --> 00:34:42.040

Yeah, we got the the same projects going on a lot of subdivisions. Uh, some relocations.

00:34:43.200 --> 00:34:45.850

ddbe8612-0ae3-4248-9dbe-b82a325813dc

Rode the projects and that that type of stuff.

00:34:47.600 --> 00:34:51.180

Tami Groves

So wide open. Nothing, nothing major, just wide open.

00:34:49.440 --> 00:34:49.980

ddbe8612-0ae3-4248-9dbe-b82a325813dc

Yeah.

00:34:51.910 --> 00:34:53.160

Sir, just, you know, just just a reminder to continue to to be safe in your your meetings with folks. And if you're if you're not feeling well, don't don't expose yourself and other people just in just in case. One of the guys there said that right then currently he had a an employee who came into the office and hadn't been feeling well, didn't didn't think he had COVID because none of his symptoms were typical COVID symptoms and ended up in a coma for about 60 days. So, you know, just just continue to stay safe out there.
