Report a Damage

It is the LAW for excavators to report damages to NC811 and the facility owner/operator. At this time, this can only be done by calling 811 to speak with an NC811 representative.

DIRT LITE

DIRT Lite is solely used by the member facility owner/operator to report an incident that occurred to their facility only; **member facility owners must contact NC811 directly** in the event they have caused a damage to another member facility owner/operator's facilities.

[Submit damage info to DIRT Lite](#)

If the damage resulted in a violation of the Underground Utility Safety & Damage Prevention Act, please report the alleged violation.
