# ID Your Marks

Locators, be sure to identify the facility operator who owns the line being marked.

See the Underground Utility Safety and Damage Prevention Act section 87-121 (1a) for marking identity info

# Creating a Damage Ticket vs. Reporting damages with Dirt Lite

## Report a Damage

It is the LAW for excavators to report damages to NC811 and the facility owner/operator. At this time, this can only be done by calling 811 to speak with an NC811 representative.

### DIRT LITE

DIRT Lite is solely used by the member facility owner/operator to report an incident that occurred to their facility only; **member facility owners must contact NC811 directly** in the event they have caused a damage to another member facility owner/operator's facilities.

Submit damage info to DIRT Lite

If the damage resulted in a violation of the Underground Utility Safety & Damage Prevention Act, please report the alleged violation.

Report an alleged violation to the law

View DIRT reports on the CGA website
