A word from Louis Panzer

- CGA meetings held in Greensboro last month
- “Butterfly Effect” and the impact of small behaviors on the larger process
- NC 811 Management retreat this month to keep all departments aligned
- Tell a friend about your UCC!
- Reminder that call back feature can save time on the phone
- Stay cool... fall is on the way

Mission Statement: The North Carolina Utilities Coordinating Committee will provide a forum for utilities, government agencies, and contractors in North Carolina to discuss the impact of planning, engineering, construction, and technology among member organizations. This committee will also serve as a resource for local Utility Coordinating Committees on issues which are better addressed and resolved on a statewide basis. This committee will provide safety, damage prevention and the use of North Carolina 811 for notification of all excavation activity.
