

MONTHLY UPDATE

AUGUST 2022

*Cabarrus/Rowan/Stanly
UCC*

More damages occur in August than any other month.*

Always #call811 before digging.

<https://nc811.org/811-day/>

811 Day

August 11th or 8/11 Day serves as a natural reminder for NC residents to call 811 prior to any digging project to have underground utility lines marked.

Help us share this message by utilizing our 811 Day Awareness Toolkit.

<https://nc811.org/811-day/>

811 Day Events

8-11 Honey Hunters Baseball Game

8-11 Durham Bulls Baseball Game

8-13 Racing at Bowman Gray Stadium

A word from Louis Panzer

- CGA meetings held in Greensboro last month
- “Butterfly Effect” and the impact of small behaviors on the larger process
- NC 811 Management retreat this month to keep all departments aligned
- Tell a friend about your UCC!
- Reminder that call back feature can save time on the phone
- Stay cool... fall is on the way

Thank you

FOR EVERYTHING!

Brian Morehouse

Brian is leaving NC811 August 5th and everyone at NC811 would like to say a big thank you for your many years of dedication and service. You will be missed!

It is not going to be easy to find another Brian, but if you would like to apply for the Western Region Education Liaison position, please visit our website: <https://nc811.org/job-opening/>

Join your UCC's mailing list

Mission Statement: The North Carolina Utilities Coordinating Committee will provide a forum for utilities, government agencies, and contractors in North Carolina to discuss the impact of planning, engineering, construction, and technology among member organizations. This committee will also serve as a resource for local Utility Coordinating Committees on issues which are better addressed and resolved on a statewide basis. This committee will provide safety, damage prevention and the use of North Carolina 811 for notification of all excavation activity.

Local UCC Issue

Thank you for bringing your concern to the UCC! The only things we need to know are your county and stakeholder group. All submissions are anonymous and will be shared

THANK YOU!

A copy of this presentation is available at
www.ncucc.org

If this meeting was virtual or hybrid, a video is available on ncucc.org. Go to County UCC's. The video will be listed under the month and year the meeting took place.

Cabarrus/Rowan/Stanly Co UCC
August 2022

Meeting opened by Chair, Leo Brooks

Level One safety

Safety moment- School is resuming. Be on the lookout for kids and for school buses. Be aware of laws surrounding school bus safety.

NC811 Presentation given by Tami Groves

Chad - Prince Telecom doing work for Google Fiber. Doing a few projects in the Charlotte area.

Hyper Networks – Doing work for Google Fiber. Working projects in the Cabarrus and Mecklenburg Co areas.

Scott – Piedmont Natural Gas Finished a project in Mt. Ulla.

Davon with SEC – he is a mainline supervisor with SEC. Just wrapped up a Salisbury job. Getting ready to start a project in Rowan County.

Jennifer with Compass Utility – They do mostly power. New installs and drop work for Utility Lines Construction.

Vickie Eddleman with the City of Salisbury - Sidewalk projects that I am aware of for the City Engineering:

Actively working is the sidewalk project on Ryan St starting at the Old Concord Rd in. I am not sure of the extent of this project. They are working on curb and guttering this week. If on schedule, they plan to be pouring sidewalk next week.

Upcoming projects:

- Lash Dr sidewalk project: Bids are in and R&P Eudy won. City Council is to review and award the contract at their next meeting on the 16th. At which point the contractor can begin work. Sidewalk will be installed on one side of the roadway, not both sides, for the full extent of the street.

We have other projects in the works for sidewalks, but none that are at a stage which will affect this group any time soon. We have no greenway projects at the moment.

I am working to get a project going to install a city owned, decorative street light pole. This will be at the dead-end of E Franklin St, off of N Lee St. If it would not be inappropriate, could you ask the group if they are aware of any contractors who might be interested in installing the pole base and conduit stub outs. If they know of any, I will be glad to include them in the quote request that I will be sending out. Please make sure they understand, any suggestions will not be considered an endorsement but rather information sharing for the competitive bid process. Often these contractors are few and can be hard to find.

Dominion Energy – No current news. Business as usual

USIC – Just busy as always.

Next meeting is September 8th at 1801 Trinity Church Road, Concord, NC
