## 811 Day

---

August 11th or 8/11 Day serves as a natural reminder for NC residents to call 811 prior to any digging project to have underground utility lines marked.

Help us share this message by utilizing our 811 Day Awareness Toolkit.

# Join your UCC's mailing list

**Mission Statement:** The North Carolina Utilities Coordinating Committee will provide a forum for utilities, government agencies, and contractors in North Carolina to discuss the impact of planning, engineering, construction, and technology among member organizations. This committee will also serve as a resource for local Utility Coordinating Committees on issues which are better addressed and resolved on a statewide basis. This committee will provide safety, damage prevention and the use of North Carolina 811 for notification of all excavation activity.

Noticed that Sumter Utilities is doing a lot of hand digging but work is being done on the same day that tickets are being entered. Also seeing that roughly fifty tickets for poles are being entered at a time.

Please make sure that the correct pole numbers are being added to the locate request.

Large project in Waynesville – roundabout on N Main Street. The Pigeon Street project is almost complete. Apartment complex with two hundred plus units will be constructed at the old site of Bi-lo on Russ Avenue.
